The Mazda name has become world famous because they very rarely make a car that falls below the very good mark. You can be assured when you buy a Mazda that you are getting a car that follows the Japanese rule of design quality. That said, it is impossible to build a car that will never fall victim to faults or glitches. The fact of the matter ...

Beth and Darren are two researchers who are sent to determine the possible value in deserted mines. They have done this a hundred times before, and know they will do it a hundred times again. Or will they? Their innocent trespass into Site 184 is the catalyst to a series of events that is both unexplainable and fascinating. It marks the fierce struggle against time, space and life.
