Model and engine coverage: 2004 - 2008 Prius NHW20 and 1NZ-FXE Engines.

Weaving together Jewish lore, the voices of Jewish foremothers, Yiddish fable, midrash and stories of her own imagining, Ellen Frankel has created in this book a breathtakingly vivid exploration into what the Torah means to women. Here are Miriam, Esther, Dinah, Lilith and many other women of the Torah in dialogue with Jewish daughters, mothers and grandmothers, past and present. Together these voices examine and debate every aspect of a Jewish woman's life -- work, sex, marriage, her connection to God and her place in the Jewish community and in the world. The Five Books of Miriam makes an invaluable contribution to Torah study and adds rich dimension to the ongoing conversation between Jewish women and Jewish tradition.

A guide to buying a used car or minivan features information on the strengths and weaknesses of each model, a safety summary, recalls, warranties, and service tips.

Lemon-Aid Used Cars and Trucks 20102011 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years of production. This book offers an expoof gas consumption lies, a do-it-yourself service manual, an archive of service bulletins granting free repairs, and more.

This is one in a series of manuals for car or motorcycle owners. Each book provides information on routine maintenance and servicing, with tasks described and photographed in a step-by-step sequence so that even a novice can do the work.

With the wide range of jobs currently on the market, it is often difficult for job seekers to pinpoint exactly what they want to do. Now in its third edition, this no-nonsense workbook points readers in the right direction. With a range of IQ tests and searching questionnaires, it helps job seekers work out what area of work they should be focusing on by identifying their interests and strengths and scientifically interpreting which jobs they are suited to. Compiled by a psychometric testing specialist and bestselling author, this book has three main aims: careers guidance, preparation and personal performance improvement. It works on the principle that self knowledge enables readers to relate their own personal characteristics to career opportunities. At the same time, it provides an opportunity to prepare for the types of psychometric tests likely to be encountered while job seeking. It also aims to improve performance by demonstrating how to apply aptitudes and personal qualities at work.

Recent World War II veteran Bull Ingram is working as muscle when a Memphis DJ hires him to find Ramblin' John Hastur. The mysterious blues man's dark, driving music-broadcast at ever-shifting frequencies by a phantom radio station-is said to make living men insane and dead men rise. Disturbed and enraged by the bootleg recording the DJ plays for him, Ingram follows Hastur's trail into the strange, uncivilized backwoods of Arkansas, where he hears rumors the musician has sold his soul to the Devil. But as Ingram closes in on Hastur and those who have crossed his path, he'll learn there are forces much more malevolent than the Devil and reckonings more painful than Hell... In a masterful debut of Lovecraftian horror and Southern gothic menace, John Hornor Jacobs reveals the fragility of free will, the dangerous power of sacrifice, and the insidious strength of blood.
