for those who are grieving the loss of a loved one. Author Julie Yarbrough chronicles her personal experience combined with a deep love of Scripture and years of leading grief support groups to create an authentic and deeply personal exploration of the grief journey. The Participant Book provides eight chapters plus two supplemental chapters that include:

- Personal stories/reflections from the author's own journey through grief
- Spiritual and practical help for navigating the emotions, experiences, and questions of grief
- Scriptures and biblical material appropriate to the themes and topics of each chapter?
- Questions for personal reflection with space for recording responses
- Readers will transform their experience of grief into a life lived in gratitude for the steadfast love and faithfulness of God and a life that honors the memory of their loved one.

"Julie Yarbrough has walked through the valley of the shadow of death and experienced the pain and anguish of great grief, and she knows firsthand the comfort and strength that only God can provide. I commend this remarkable grief ministry program to you highly." James W. Moore, Pastor in Residence, Highland Park United Methodist Church, Dallas, Texas "With wisdom informed by her own experience and a warm regard for those who grieve, Julie Yarbrough guides the brokenhearted on an honest journey toward acceptance and hope. A refreshingly excellent resource for grief support." Stephan Bauman, Senior Minister,

Christ Church New York City "Julie Yarbrough weaves understanding, care, and comfort together in such a way that the seemingly intolerable becomes tolerable, one breath at a time. This resource provides everything you need to promote, establish, and conduct grief groups throughout the year." Judith Bone, Director of Adult Discipleship, Brentwood United Methodist Church, Nashville, Tennessee
A gift to those who face the difficult journey through the grieving process. I highly recommend this program, not only for those who have lost, but also for those in the helping professions who offer guidance and counsel to the grieving. Ann Reese, Licensed Marriage and Family Therapist, Licensed Clinical Social Worker

That Certain Saturday tells the true story of Madelyn S Leigh's struggle with her mother's illness from Madelyn's age of nine until she was sixty. Her father always being their rock. Beginning in 1960 with a pill which was proclaimed by doctors to be a miracle, Madelyn had to watch that medication prolong the pain and stigma of her loving and kind mother's problem rather than fix things. Her mother seemed to have the perfect life by being a contented housewife and very involved with her women's church group in the years prior to 1960. Her daughter Madelyn's childhood had been celebrated with the beauty of daily horseback rides which her mother enjoyed watching. The events of the morning

that her mom's nerves came unraveled were something that no child should have to endure. Madelyn did endure it, but her life would never be the same. Psychiatric ward visits and hearing her mother be "labeled" made for a quick jump from childhood to adulthood at age nine. Two years later equaled two more nervous breakdowns and three out-of-state moves due to her dad being transferred because of his job. Her mother had the determination to keep trying to start over by driving again and getting involved with life. A first marriage for Madelyn and a wonderful baby boy, three years later, still did not help to normalize her situation. Her father had been the only stabilizing factor for her since young childhood. His diagnosis of cancer in the late 1980s was a huge awakening. Life was a complete confusion for Madelyn while she was always wishing she was simply riding a horse, her favorite pastime. Modern medicines were prescribed for her mom after her last hospital stay and made a great difference. In the 1990s, Madelyn inherited all of the responsibilities of her mom. With her mom's mental condition greatly improving, her mom's physical condition began to deteriorate rapidly. The number of doctors for her care grew to nine. Exhaustion and insomnia took over Madelyn's life, but she kept going due to her love for her mother and the kindness of her mom under terrible circumstances. The coming years contained many changes, but she and her mom always

remain together. The wait for Jesus had many challenges. It was a roller-coaster life, growing up in a dysfunctional family which never included alcohol, drug abuse, or physical or mental abuse. It was simply one person's personal struggle with a chronic illness which affected the whole family. The love of family and the love of animals defeated everything that was bad.

Large Print Edition "He has sent me to bind up the brokenhearted... to bestow on them a crown of beauty instead of ashes, the oil of joy instead of mourning." -Isaiah 61:1-3, NIV

Rebecca was no stranger to adversity. Marked as different from an early age by her visual disability and half-Filipino heritage, she tried her best to bury herself in the pages of a book. For years, she was able to find solace in stories, until an ill-fated battle with her own personal Goliath left her with a shattered heart and broken dreams. Rebecca found herself at the darkest point in her life. All she knew was that she needed to finish school and find work so that she could continue to afford the expensive medicines that maintained what remained of her precious eyesight. During the darkest point in her life, a miraculous encounter with God gave her a new hope and a new purpose. Rebecca accepted the call to ministry in the United Methodist Church, and since then, her life has never been the same. By writing just fifteen minutes a day, you can find God's

comfort and spiritual healing for your own life! Redeemed by the gift of God's grace, Rebecca found her own "happy ending." In this book, Rebecca helps the reader to use the art of writing to find that same sense of purpose. It includes: -Instructions to help you create your own Writer's Notebook -Weekly Bible verses and prayers -Daily writing prompts -Exercises to help the reader connect to God -Excerpts from Rebecca's own spiritual journals and poems God bound up the pieces of Rebecca's heart and created something beautiful. Healing doesn't always look like we expect. Journey with her as you find your own place in the biblical story and hope for your own life.

Behavioral science books are popping up on bestseller lists: Predictably Irrational; Thinking, Fast and Slow; Nudge; Decisive. Even the White House launched a Behavioral Insights Team to match the British Ministry of Nudges. Conspicuously absent from this conversation is the church. The Irrational Jesus bridges this gap. Ken Evers-Hood looks at Jesus through the lens of cognitive heuristics (mental shortcuts) and biases (blind spots) and makes the case that a fully human Jesus is predictably irrational--just like all of us. Find out how the Apostle Paul's community building mirrors a prisoner's dilemma game and how this makes Paul an irrational leader, too. Discover how playing better games in church can foster

hopeful, flourishing communities. Improve your decision-making; learn when to plan for irrationality and when to live into it. The Irrational Jesus addresses these issues and more. Integrating the insights of behavioral economists such as Dan Ariely, the gameful thinking of Jane McGonigal, and cutting-edge ideas from decision theory, Evers-Hood articulates a behavioral theology for fully human pastors of fully human congregations--a fresh perspective that will change how pastors and other church leaders see themselves, the institutions they serve, and the scriptural and theological tradition.

Presents reviews and evaluations of six hundred children's books about Native Americans.

This book is based on my personal encounters with the Lord Jesus, how he walked with me through my Christian walk. It is also about God the Fathers love for me and for his children (John 3:16) and the council and power of the Holy Spirit, who led me in my walk in the spirit. It is about how he lifted me from my broken life and gave me a renewed life in the spirit.

Hosea has been charged by God with a difficult task--marry a prostitute in order to show God's people the nature and depth of his love for Israel. When Hosea goes to Israel to proclaim God's message, the

prostitute God tells him to marry turns out to be his childhood friend Gomer. He finds her broken and abused, unwilling to trust Hosea or his God. But when marrying Hosea becomes her only choice, Gomer does what she's good at--she survives. Can Hosea's love for God and God's love for Israel heal Gomer's broken spirit? With her potent combination of in-depth research and masterful storytelling, Mesu Andrews brings to life a complex and fascinating biblical story of the power of love and forgiveness in the face of utter betrayal.

Fourteen-year-old Bo, a boat person from Vietnam, and his cub Bear set off on a journey through Toronto to save his severely disfigured sister from a travelling freak show.

Presents spiritual advice on dealing with change, loss, fear, and risk taking, with true stories about ordinary people, and excerpts from the writings of various spiritual teachers.

In 1877, Chief Standing Bear's Ponca Indian tribe was forcibly removed from their Nebraska homeland and marched to what was then known as Indian Territory (now Oklahoma), in what became the tribe's own Trail of Tears. "I Am a Man" chronicles what happened when Standing Bear set off on a six-hundred-mile walk to return the body of his

only son to their traditional burial ground. Along the way, it examines the complex relationship between the United States government and the small, peaceful tribe and the legal consequences of land swaps and broken treaties, while never losing sight of the heartbreaking journey the Ponca endured. It is a story of survival---of a people left for dead who arose from the ashes of injustice, disease, neglect, starvation, humiliation, and termination. On another level, it is a story of life and death, despair and fortitude, freedom and patriotism. A story of Christian kindness and bureaucratic evil. And it is a story of hope---of a people still among us today, painstakingly preserving a cultural identity that had sustained them for centuries before their encounter with Lewis and Clark in the fall of 1804. Before it ends, Standing Bear's long journey home also explores fundamental issues of citizenship, constitutional protection, cultural identity, and the nature of democracy---issues that continue to resonate loudly in twenty-first-century America. It is a story that questions whether native sovereignty, tribal-based societies, and cultural survival are compatible with American democracy. Standing Bear successfully used habeas corpus, the only liberty included in the original text of the Constitution, to gain access to a federal court and ultimately his freedom. This account aptly illuminates how the nation's

delicate system of checks and balances worked almost exactly as the Founding Fathers envisioned, a system arguably out of whack and under siege today. Joe Starita's well-researched and insightful account reads like historical fiction as his careful characterizations and vivid descriptions bring this piece of American history brilliantly to life.
