The best-selling author of *The Seven Principles for Making Marriage Work* lends scientific insights into how to build and maintain trust in committed relationships, sharing a formula for calculating a couple's loyalty level that takes into account a relationship's likely future and vulnerability to infidelity.

Am I with the right person? Will our love last? Men and women in love are haunted by these questions. Love -- especially why it blossoms in relationships and why it later dies -- is a mystery to them. *Will Our Love Last? A Couple's Road Map* solves this mystery by giving readers a new understanding of love -- an understanding they can actually use to evaluate the soundness of their relationships and to answer confidently the crucial questions that mystified them before. Based on hundreds of cases in his twenty-four years as a marital therapist and twenty-nine years in his own happy marriage, Sam R. Hamburg, Ph.D., explains how compatibility is the key to lasting love. He shows how compatibility on three major dimensions -- the Practical Dimension, the Sexual Dimension, and the Wavelength Dimension -- is essential to the mutual understanding and affirmation that keep love alive, and he leads readers through a simple but systematic procedure for assessing their compatibility with a romantic partner in these crucial relationship areas. Dr. Hamburg introduces a new technique, *The Hand Rotation Exercise*, to help readers express their degree of compatibility and then convey that visually to their partner. In addition, he presents two new original techniques for working through relationship conflicts and coming to agreement on difficult issues: *His Way/Her Way* and *The Long Conversation*. Written in a clear, direct style that is free of jargon, *Will Our Love Last?* empowers readers to make important relationship decisions that are intellectually and emotionally informed. *Will Our Love Last?* will help couples trying to decide if they should take the next step to a more committed relationship. It will aid individuals embarking on a new relationship, or who are between relationships, to evaluate the rightness of a new or prospective partner. And it will assist people who are already in committed relationships to make an honest assessment of their prospects for happiness with their current partner. People have it in their power to make sure that they truly are with the right person. *Will Our Love Last?* shows the way.

In *Love That Lasts*, New York Times bestselling author of *Jesus > Religion* Jefferson Bethke and his wife, Alyssa, expose the distorted views of love that permeate our culture and damage our hearts, minds, and souls. Drawing from Jeff's "prodigal son" personal history and from Alyssa's "True Love Waits" experience, the Bethkes point to a third and better way. Blending personal storytelling with biblical teaching, they offer readers an inspiring, realistic vision of love, dating, marriage, and sex. Young people today enter adulthood with expectations of blissful dating followed by a romantic, fulfilling marriage only to discover they've been duped. They learned about love and sexuality from social media, their friends, Disney fairy tales, pornography, or even their own rocky past, and they have no idea what

healthy, lifelong love is supposed to be like. The results are often disastrous, with this generation becoming one of the most relationally sick, sexually addicted, and divorce ridden in history. Looking to God's design while drawing lessons from their own successes and failures, the Bethkes explode the fictions and falsehoods of our current moment. One by one, they peel back the lies, such as the belief that every person has only one soul mate, that marriage will complete you, or that pornography and hook-ups are harmless.

With thirty years of experience as a licensed marriage and family therapist, Laura Taggart understands the unique struggles of newly married couples who find marriage much more difficult than they imagined. Failed expectations, unanticipated conflict, and disagreements about money, sex, children, and more have many young couples assuming they made a mistake, married the wrong person, or just weren't ready. As a result, one-third of all married couples divorce before their ten-year anniversary. In this practical and hopeful book, Taggart offers the wisdom and help she would share as a counselor with a couple beginning their marriage. She helps couples examine their true expectations for marriage, provides six action steps for improving the way couples relate, and gives couples a new picture of what it means to enjoy marriage for a lifetime. Each chapter includes discussion questions for couples or small groups as well as additional questions for personal reflection.

A psychologist advises readers how to avoid mistakes in love, find the right partner, rekindle passion, prevent relationship burnout, argue fairly, and more

For years Gary Smalley has helped millions of couples throughout North America enrich their relationships and deepen their bonds of love and companionship. In this extraordinary book, he shows you how to stay in love through all the stages of life. From first attraction to lifelong commitment, Gary's proven techniques and practical advice show you how to pursue and keep the love you want, and how to energize your relationship with enduring, passion-filled love. In this book you'll learn how to:

- Understand and use love's best-kept secret
- Deal with the number one enemy of love
- Turn headaches into more love
- Increase your energy to keep loving
- Find the power to keep on loving your spouse
- Use normal conflicts as doorways to intimacy
- Read a woman's built-in marriage manual
- twelve ways
- Divorce-proof your marriage
- Develop the five vital signs of a healthy marriage
- Respond to your partner's number one request
- Find the powerful secret to great love
- Bring out the best in your maddening mate

With humor, empathy, and insight, Gary Smalley inspires you to fall in love with life and enjoy the deep satisfaction of a lifelong love. Down-to-earth examples, touching personal experiences, and inspiring spiritual principles will motivate you to bring about positive changes in your marriage—whether or not your mate is a willing

participant. You'll learn how to tap resources at hand to help you follow through with your journey-and make your love last forever.

Better Love Next Time offers help in coping with the pain and heartache of a bad breakup, but more than that, it reveals how to overcome the lingering damage that a broken relationship can leave behind - how to heal your romantic soul. J.M. Kearns presents a simple (and entertaining) way to diagnose what went wrong, so history won't have to repeat itself, and explains how to decode the "guide to compatibility" written in your own past. Witty, frank, and full of real-life stories, Better Love Next Time ensures that when you do find a new love, you will arrive whole, renewed, and empowered to make it the one that lasts. In Better Love Next Time, J.M. Kearns discusses: how to deal with the "wall of pain" that is a broken heart, and what is waiting beyond the wall why "falling in love" too often doesn't lead to love; and how to change that how our attempts to avoid being cheated on again can make us choose exactly the wrong partners the real key to faithfulness in a partner the surprising toll that cheating takes on the cheater how a mismatch can trick you into feeling inadequate how to replace what you've lost after a breakup how good matches go bad - the ultimate scoop on how to make your next (good) match last. "Read it, people. J.M. Kearns's new book called Better Love Next Time... The book's main premise is that people often repeat the same mistakes in successive relationships, but if you can diagnose what really went wrong with your exes, you can have better relationships in the future." - Erin Meanley, Glamour.com "If you're searching for love, then you should start with this refreshingly intelligent and insightful dating guide." -Shari Low, Daily Record "Self-help books often make me skittish - but not this one. Kearns's advice is sound and good: he tells us to look inward, to be honest with ourselves, to stay the course. A chapter called How Good Matches Go Bad is, alone, worth the book's price...He says our demons will invariably rise up and try to disrupt ...It's important to learn to step back when you sense trouble 'and ask yourself, who is talking here?' Are there old grudges in play? Old hurts stinging? False lessons echoing that have nothing to do with the two of you?" -Susan Schwartz, Montreal Gazette

War correspondent Jennie King thinks she's just a temporary guest in her grandmother's Amish community while she recuperates from the devastating injuries sustained in a car bomb attack that changed her world. But when she meets Matthew Bontrager, the man she had a crush on as a teenager, she wonders if God has a new plan for her. Jennie has emotional and physical scars and though she feels she has come home to this man and this place, she's not sure she can bridge the difference between their worlds.

"A beautiful and brilliant reexamination of love and its perils."-Barbara Fisher, Boston Globe Common wisdom has it that love is fragile, but leading psychoanalyst Stephen A. Mitchell argues that romance

## Where To Download A Time To Love Last Summer First Love Book 1

doesn't actually diminish in long-term relationships—it becomes increasingly dangerous. What we regard as the transience of love is really risk management. Mitchell shows that love can endure, if only we become aware of our self-destructive efforts to protect ourselves from its risks. "Those who read this book will love more wisely because of it."—Andrew Solomon, author of *The Noonday Demon* "[A] work on romance that is rich and multi-layered."—Publishers Weekly "Cheerful, open, and humane—you'd definitely have wanted him as your analyst."—Judith Shulevitz, *The New York Times Book Review* "[T]houghtful, compassionate, and profoundly optimistic."—JoAnn Gutin, *Salon.com*
