headphone jack and a micro HDMI port on the left side of the device.

"Hadley is a lovely, subtly teasing writer." —New York Times Book Review Long-listed for the Orange Prize Two Lives, stretched between two cities, converge in a chance meeting with immediate and far-reaching consequences in this compelling, sophisticated tale from acclaimed New Yorker writer Tessa Hadley, author of *Accidents in the Home* and *The Master Bedroom*. As father struggles to reestablish a relationship with his estranged daughter in London, surrendering himself to an underground life of illegal squats and counterculture friendships, a wife decides she must flee her suffocating marriage to return to Wales, where in Cardiff she may rediscover the passions that once fueled her life. Embracing change and facing loss, in a story evocative of Alice Munro's *Runaway* and Julia Glass' *I See You Everywhere*, Hadley's powerful characters illuminate the furthest reaches of love, hope, and determination.

Henry Grim is a servant boy at the Midsummer School—until he passes the elite Knightley Academy exam and suddenly finds himself one of the first commoners at the Academy, studying alongside the cleverest and bravest—and most arrogant—young aristocrats in the country. But someone is out to sabotage him from becoming a full-fledged Knight of the Realm, and soon Henry uncovers a conspiracy that violates the Hundred Years' Peace treaty—and could lead to war! Full of (bloodless) battles and nonstop action, this page-turner will captivate readers as they root for Henry to save his school and country from their enemies.

BONUS: This edition contains an excerpt from Stacia Kane's *City of Ghosts*. **ENEMIES DON'T NEED TO BE ALIVE TO BE DEADLY.** For Chess Putnam, finding herself near-fatally poisoned by a con psychic and then stopping a murderous ghost is just another day on the job. As an agent of the Church of Real Truth, Chess must expose those looking to profit from the world's unpleasant little poltergeist problem—humans filing false claims of hauntings—all while staving off any undead who really are looking for a kill. But Chess has been extra busy these days, coping with a new “celebrity” assignment while trying on her own time to help some desperate prostitutes. Someone's taking out the hookers of Downside in the most gruesome way, and Chess is sure the rumors that it's the work of a ghost are way off base. But proving herself right means walking in the path of a maniac, not to mention standing between the two men in her life just as they—along with their ruthless employers—are moving closer to a catastrophic showdown. Someone is dealing in murder, sex, and the supernatural, and once again Chess finds herself right in the crossfire.

The New York Times bestselling author of *Mrs. Lincoln's Dressmaker* and *Mrs. Lincoln's Rival* imagines the inner life of Julia Grant, beloved as a Civil War general's wife and the First Lady, yet who grappled with a profound and complex relationship with the slave who was her namesake—until she forged a proud identity of her own. In 1844, Missouri belle Julia Dent met dazzling horseman Lieutenant Ulysses S Grant. Four years passed before their parents permitted them to wed, and the groom's abolitionist family refused to attend the ceremony. Since childhood, Julia owned as a slave another Julia, known as Jule. Jule guarded her mistress's closely held twin secrets: She had perilously poor vision but was gifted with prophetic sight. So it was that Jule became

Download Free Acer Iconia A510 Manual

Julia's eyes to the world. And what a world it was, marked by gathering clouds of war. The Grants vowed never to be separated, but as Ulysses rose through the ranks—becoming general in chief of the Union Army—so did the stakes of their pact. During the war, Julia would travel, often in the company of Jule and the four Grant children, facing unreliable transportation and certain danger to be at her husband's side. Yet Julia and Jule saw two different wars. While Julia spoke out for women—Union and Confederate—she continued to hold Jule as a slave behind Union lines. Upon the signing of the Emancipation Proclamation, Jule claimed her freedom and rose to prominence as a businesswoman in her own right, taking the honorary title Madame. The two women's paths continued to cross throughout the Grants' White House years in Washington, DC, and later in New York City, the site of Grant's Tomb. Mrs. Grant and Madame Jule is the first novel to chronicle this singular relationship, bound by sight and shadow.

One DVD in pocket.

Discover Your Purpose! It's time to shed your "shoulds," and give yourself permission to step powerfully into your own passionate life. Through a series of creative, colorful exercises--questions to get the wheels turning and an encouraging kick in the pants--you will get all the loving support you need to discover how you are unique and uncover what you are meant to do! Discover It (list-making explorations), Own It (inspiring interviews with highly successful individuals) and Make It (fun and crafty projects) sections offer an in-depth look at who you are and the amazing places you'll go. Every life topic is explored here: Enthusiasm, Celebration, Uniquity, Trust, Intention, Self-Care, Success and Money, so you know Jess and Michelle have

you covered! Self-affirming declarations in each chapter keep you motivated while you discover more and more about the wonderful person you are. It's time to see a new perspective. It's time to find The Declaration of You!

This book explores the controversial social media practices engaged in by girls and young women, including sexual self-representations on social network sites, sexting, and self-harm vlogs. Informed by feminist media and cultural studies, Dobson delves beyond alarmist accounts to ask what it is we really fear about these practices.

Students heading for a career in business will benefit from researched and proven selling techniques. Professional sales skills are becoming increasingly important in today's business world. This text covers up-to-date academic topics and rich application materials, providing students with everything they need to understand and apply selling techniques. In the eleventh edition, Manning and Reece have invited Michael Ahearne to join their best-selling author team. Ahearne's experience as Associate Professor of Marketing and Executive Director of the Sales Excellence Institute, in addition to his extensive educational background, provides invaluable insight to this already well-researched text. Developing a Personal Selling Philosophy; Developing a Relationship Strategy; Developing a Product Strategy; Developing a Customer Strategy; Developing a Presentation Strategy; Management of Self and Others Advances in technology and changes in customer expectations mean that sales personnel need to be adaptive and employ the latest in selling techniques. The authors have updated this text with new research and new interactive tools to engage students
