These days, action cartoons are few and far between, and most animated shows are 11-minute comedies. This isn't a bad thing, since shows like Adventure Time and Steven Universe have shown you can make amazing story-driven comedies in a short-format. However, we miss those Saturday-morning, action-packed shows that seem to have gone out of style.

Once upon a time...a princess tried to make a comic. And with the help of a magical cartooning elf, she learned how--well enough to draw her way out of an encounter with a dangerous dragon, near-death by drowning, and into her very own adventure!--From publisher description.

This classic guide by a master animator and cartoonist — and long time Disney artist — is now available for the first time since its original publication in 1946. Author Ken Hultgren instructs by example in a guide that's suitable for beginners and advanced students alike. The comprehensive range of instruction covers features and expressions, animals, foreshortening, perspective, lettering, caricature, animation, and various other aspects of cartooning. All subjects include step-by-step guides, several examples, and helpful hints and suggestions. Blank pages allow lots of room for drawing practice. Professional and amateur animators, cartoonists, caricaturists, and artists dealing with characterization will find this timeless manual an excellent and instructive companion.

This how-to by a former Marvel Comics cartoonist offers everything a budding artist needs. It focuses in detail on superheroes and their atmospheric world filled with speed and movement. Every aspect of creating cartoons is taught: supplies, techniques for developing mood and endowing characters with personality. See how to draw a variety of faces--female, heroic, cute, gaunt--and give the appearance of age. From the skeleton to the torso, to the arms, hands, and legs, follow every stroke that goes into producing bodies of all shapes and sizes. Finally, there's instruction on sending those figures into running, jumping, punching, kicking action in a fully realized scene.--From publisher description.
