Adelante, 2nd Edition, is a convenient multi-volume program designed for students who are looking to lighten their backpacks. The full-color lesson pages are followed by worktext pages, making this the ultimate, all-in-one program.

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish rorindicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Modern Spanish Grammar: A Practical Guide is an innovative reference guide to Spanish, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. The shorter section covers traditional grammatical categories such as word order, nouns, verbs and adjectives. The larger section is carefully organized around language functions and notions such as: giving and seeking information; putting actions into context * expressing likes, dislikes and preferences; comparing objects and actions. All grammar points and functions are richly illustrated and information is provided on register and relevant cultural background. Written by experienced teachers and academics, the Grammar has a strong emphasis on contemporary usage. Particular attention is paid to indexing and cross-referencing across the two sections. This is the ideal reference grammar for learners of Spanish at all levels, from elementary to advanced. It will prove invaluable to those with little experience of formal grammar, as no prior knowledge of grammatical terminology is assumed and a glossary of terms is provided. The book will also be useful to teachers seeking back-up to functional syllabuses, and to designers of Spanish courses.

Modern Spanish Grammar Workbook is an innovative book of exercises and language tasks for all learners of European or Latin American Spanish. The book is divided into two sections: * Section 1 provides exercises based on essential grammatical structures * Section 2 practises everyday functions such as making introductions and expressing needs A comprehensive answer key at the back of the book enables you to check on your progress. Modern Spanish Grammar Workbook is ideal for all learners of European or Latin American Spanish including undergraduates taking Spanish as a major or minor part of their studies, as well as intermediate and advanced students in schools and adult education. It can be used independently or alongside Modern Spanish Grammar, also published by Routledge.

Cut off from the life of ranching he has come to love by his grandfather's death, John Grady Cole flees to Mexico, where he and his two companions embark on a rugged and cruelly idyllic adventure
