Alipur Ka Aili is Mumtaz Mufti's semi-autobiographical novel describing the trials and tribulations of the early phase of its protagonist's life.

Published ahead of Paul Scott ' s Raj Quartet and long before Midnight ' s Children, Abdullah Hussein ' s ambitious saga of social struggle The Weary Generations was a bestseller in Urdu. Published in 1963 and now beyond its 40th edition, it has never been out of print. A vivid depiction of the widespread disillusionment and seismic upheavals of the Partition era that lead to the creation of Pakistan and Bangladesh, there has never been a more opportune time to discover one of the most important writings about the post-colonial trauma in the region. Naim, son of a peasant, marries Azra, the daughter of a rich landowner. Fighting for the British during World War I he loses an arm. Invalided home, he becomes angered at the subjugation of his countrymen under the Raj and aligns himself with the opposition. His ideals are swept away after Independence in 1947 when he realizes that, as Muslims, his family is no longer safe in their Indian home and that they must migrate to the newly created Pakistan. Regarded as one of the half-dozen most influential novels dealing with Partition or post-colonial malaise, this is an immensely powerful novel in its own right and is essential reading for English language readers seeking to comprehend the historical origins of the tensions in the Indian subcontinent.

This is the autobiography of Abdul Salam Zaeef, a senior former member of the Taliban. His memoirs, translated from Pashto, are more than just a personal account of his extraordinary life. My Life with the Taliban offers a counter-narrative to the standard accounts of Afghanistan since 1979. Zaeef describes growing up in rural poverty in Kandahar province. Both of his parents died at an early age, and the Russian invasion of 1979 forced him to flee to Pakistan. He started fighting the jihad in 1983, during which time he was associated with many major figures in the anti-Soviet resistance, including the current Taliban head Mullah Mohammad Omar. After the war Zaeef returned to a quiet life in a small village in Kandahar, but chaos soon overwhelmed Afghanistan as factional fighting erupted after the Russians pulled out. Disgusted by the lawlessness that ensued, Zaeef was one among the former mujahidin who were closely involved in the discussions that led to the emergence of the Taliban, in 1994. Zaeef then details his Taliban career as civil servant and minister who negotiated with foreign

oil companies as well as with Afghanistan's own resistance leader, Ahmed Shah Massoud. Zaeef was ambassador to Pakistan at the time of the 9/11 attacks, and his account discusses the strange "phoney war" period before the US-led intervention toppled the Taliban. In early 2002 Zaeef was handed over to American forces in Pakistan, notwithstanding his diplomatic status, and spent four and a half years in prison (including several years in Guantanamo) before being released without having been tried or charged with any offence. My Life with the Taliban offers a personal and privileged insight into the rural Pashtun village communities that are the Taliban's bedrock. It helps to explain what drives men like Zaeef to take up arms against the foreigners who are foolish enough to invade his homeland.

A hilarious and nostalgic account of twentieth-century Muslim life on the Indian subcontinent Basharat and his family are Indian Muslims who have relocated to Pakistan, but who remain deeply steeped in the nostalgia of pre-Partition life in India. Through Mirages of the Mind ' s absurd anecdotes and unforgettable biographical sketches—which hide the deeper unease and sorrow of the family ' s journey from Kanpur to Karachi—Basharet emerges as a wise fool, and the host of this unique sketch comedy. From humorous scenes in colonial north India, to the heartbreak and homesickness of post-colonial life in Pakistan, Mirages of the Mind forms an authentic portrait of life among South Asia ' s Urdu speakers, rendered beautifully into English by Matt Reeck and Aftab Ahmad.

Social novel in a story format.

Anne Lamott claims the two best prayers she knows are: "Help me, help me, help me" and "Thank you, thank you, thank you." She has a friend whose morning prayer each day is "Whatever," and whose evening prayer is "Oh, well." Anne thinks of Jesus as "Casper the friendly savior" and describes God as "one crafty mother." Despite--or because of--her irreverence, faith is a natural subject for Anne Lamott. Since Operating Instructions and Bird by Bird, her fans have been waiting for her to write the book that explained how she came to the big-hearted, grateful, generous faith that she so often alluded to in her two earlier nonfiction books. The people in Anne Lamott's real life are like beloved characters in a favorite series for her readers--her friend Pammy, her son, Sam, and the many funny and wise folks who attend her church are all familiar. And Traveling Mercies is a welcome return to those lives, as well as an introduction to new companions Lamott treats with the same candor, insight, and tenderness. Lamott's faith isn't about easy answers, which is part of what endears her to believers as well as nonbelievers. Against all odds, she came to believe in God and then, even more miraculously, in herself. As she puts it, "My coming to faith did not start with a leap but rather a series of staggers." At once tough, personal, affectionate, wise, and very funny, Traveling Mercies tells in exuberant detail how Anne Lamott learned to shine the light of faith on the darkest part of ordinary life, exposing surprising pockets of meaning and hope.
