Thirty years ago, an armored-car robbery turned deadly. The mastermind was captured. Four conspirators vanished with a fortune. One of them, it appears, never made it out of the woods alive. For Mercy and her fiancé, Police Chief Truman Daly, their investigation opens old wounds in Eagle's Nest that cut deeper than they imagined. Especially when a reckless tabloid reporter draws fresh blood. It's clear to Mercy that somebody in this close-knit community is not who they seem to be. Some are still shattered by the heist. Some still have reason to be afraid. But which one will kill again and again to hide three decades of secrets? To land this case, it's up to Mercy to unmask a familiar stranger before someone else dies.

Three sisters' secrets collide in a shocking novel of suspense by the Wall Street Journal and Amazon Charts bestselling author of the Mercy Kilpatrick series. Twenty years ago Emily Mills's father was murdered, and she found his body hanging in the backyard. Her younger sister, Madison, claims she was asleep in her room. Her older sister, Tara, claims she was out with friends. The tragedy drove their mother to suicide and Tara to leave town forever. The killer was caught. The case closed. Ever since, Emily and Madison have tried to forget what happened that night--until an eerily similar murder brings it all back. It also brings FBI special agent Zander Wells to the Oregon logging town. As eager as he is to solve the brutal double slaying, he is just as intrigued with the mystery of Emily's and her sisters' past. When more blood is shed, Zander suspects there's a secret buried in this town no one wants unearthed. Is it something Emily and Madison don't know? Or aren't telling? And Tara? Maybe Emily can't bear to find her. Because when Tara disappeared, she took a secret of her own with her.

FBI special agent Mercy Kilpatrick has been waiting her whole life for disaster to strike. A prepper since childhood, Mercy grew up living off the land--and off the grid--in rural Eagle's Nest, Oregon. Until a shocking tragedy tore her family apart and forced her to leave home. Now a predator known as the cave man is targeting the survivalists in her hometown, murdering them in their homes, stealing huge numbers of weapons, and creating federal suspicion of a possible domestic terrorism event. But the crime scene details are eerily familiar to an unsolved mystery from Mercy's past. Sent by the FBI to assist local law enforcement, Mercy returns to Eagle's Nest to face the family who shunned her while maintaining the facade of a law-abiding citizen. There, she meets police chief Truman Daly, whose uncle was the cave man's latest victim. He sees the survivalist side of her that she desperately tries to hide, but if she lets him get close enough to learn her secret, she might not survive the fallout...
