Written in a clear, engaging style with a straightforward chronological organization, The American Journey introduces students to the key features of American political, social, and economic history. It gives prominent coverage to the West and South and highlights the importance of religion in American history. It makes American history accessible with an abundance of tools that help students identify important information and put it in context. Primary source documents introduce students to the concerns of the participants in history. A new feature called "American's Journey: From Then to Now," connects events and issues from the past to the concerns of the present. Compelling stories and ample use of quotations bring the past vividly alive.

"For U.S. History survey courses" Frame American history through personal and collective journeys " The American Journey: A History of the United States " traces the journeys geographical, ideological, political, and social that make up the American experience. Harnessing the stories of individuals from different eras, the authors present a strong, clear narrative that makes American history accessible to students. Offering a blend of political and social histories, the Tenth Edition continues to show that our attempt to live up to our American ideals is an ongoing journey one that has become increasingly more inclusive of different groups and ideas. Also available with MyHistoryLab(r) MyHistoryLab for the U.S. History survey course extends learning online to engage students and improve results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they ve learned. Please note: this version of MyHistoryLab does not include an eText. "The American Journey: A History of the United State"s, Eighth Edition is also available via REVEL, an interactive learning environment that enables students to read, practice, and study in one continuous experience. Note: You are purchasing a standalone product; MyLab & Mastering does not come packaged with this content. Students, if interested in purchasing this title with MyLab & Mastering, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and MyLab & Mastering, search for: 013435866X / 9780134358666 The American Journey: A History of the United States, Volume 1 plus MyHistoryLab for U.S. History Survey Access Card Package, 8/e Package consists of: 0134102940 / 9780134102948 The American Journey: A History of the United States, Volume 1, 8/e 0205967779 / 9780205967773 MyHistoryLab for U.S. History Survey Access Card "

An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique ' s Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: " This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one. " Praise for Enrique ' s Journey " Magnificent . . . Enrique ' s Journey is about love. It ' s about family. It ' s about home. " —The Washington Post Book World " [A] searing report from the immigration

frontlines . . . as harrowing as it is heartbreaking. ” —People (four stars) “ Stunning . . . As an adventure narrative alone, Enrique ’ s Journey is a worthy read. . . . Nazario ’ s impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one. ” —Entertainment Weekly  
“ Gripping and harrowing . . . a story begging to be told. ” —The Christian Science Monitor “ [A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid. ” —Newsday

"SpringBoard is a world-class English Language Arts Program for students in grade 6-12. Written by teachers for teachers. SpringBoard offers proven instructional design to get students ready for the AP, the SAT, and college"--Back cover.

An introduction to leadership draws on a program developed for an elementary school to show how to apply the principles of "The 7 Habits of Highly Effective People" to help everyone, including young children, identify and use their individual talents.
