He is a University of Maine at Orono student with no prior psychiatric history, who was admitted to the Acadia Hospital on an involuntary basis due to an acute level of confusion and disorganization, both behaviorally and cognitively. He also acknowledged the use of heroin, crack, cocaine, mushrooms, ecstasy, speed, etc. Just prior to his admission to Acadia Hospital, he had been displaying markedly abnormal behavior with confusion, illogical statements, and appearing disoriented, and as if walking in a daze.
