Ever since Master Gunnery Sergeant Fick came blitzing out of nowhere in *ARISEN, Book Four - Maximum Violence*, he has emerged as the closest thing to a consensus fan favorite character for the series. He is best known and most beloved for his ribald, profane, merciless, and generally hilarious insults, quips, and bon mots, which are so characteristic that readers have affectionately dubbed them: Fickisms. Now, in response to popular demand, and collected here for the first time, are all the very best tidbits of Fick's wit and wisdom, from all fourteen main series books. And thrown in

HANDON FIGHTS HIS WAY BACK FROM THE DEAD As reinforcements flood into CentCom, ahead of the onslaught of the undead world, one man lies in a coma at the heart of humanity's final fallback position. But will the ghosts of all those who've fallen before, and the love of those who yet remain, be enough to bring him back to life, and back to the fight, in time to lead the final battle...?

THE LAST SURVIVORS MAN THE ALAMO OF THE ALAMO As CentCom is overrun, and it all collapses and the screen goes black, the last heroes of humanity have one final chance to save the world. But as they cling to one another in

their shrinking circle of life, will they be able pull it off in the final seconds, from the mast of the last sinking ship in a world submerged in a sea of death...? Love. Death. The End Of The Line. ENDGAME

THE KENNEDY STARES INTO THE ABYSS The world's last floating nuclear supercarrier looks into the face of oblivion - as her thinned, exhausted, and beleaguered crew face the largest herd of dead ever recorded. Soon, the ship's five-acre flight deck will become the scene of a furious and desperate set-piece battle - like no combat any modern army has

seen since Stalingrad. The ranks of the dead are infinite, and those of the living tiny, depleted, and running out of time... and of hope. THE ABANDONED RUN AHEAD OF THE STORM Surrounded, cut off, and left for dead, Wesley's band of sailors and survivors race ahead of the city-devouring swarm, desperate for a way off the land. Air strikes and shore bombardment threaten to vaporize them at any instant, the inlet onto which they flee is surrounded on all sides and filling up fast, and the least hesitation will get them all killed, infected, devoured - or all three at once. THE OPERATORS JUMP INTO MOUTH OF HELL

# Download Ebook Arisen Genesis Ebook Michael Stephen Fuchs

Having already dodged a hundred deaths by inches, the operators of Alpha team and MARSOC now fly into two converging storms of unspeakable violence, and must parachute in and reinforce the Alamo - the hopeless and doomed defense of the carrier. A thousand things must go right for them to have a prayer of survival. But it's the job of the operators to succeed even when a million things go wrong... Ride the human spirit to its utmost limit - in the most terrifying and thrilling ARISEN book yet: ARISEN, BOOK FIVE - EXODUS.

showdown between Ali and Vasily, and an incomparably brutal iron-cage Texas deathmatch between Predator and Misha. For the first time, all the teams will come together and must fight as brothers, for any chance of making it back to Britain. And only one thing is certain - not everyone is walking away from this one... ONE TROOP RALLIES AGAINST DECIMATION AND DEFEAT After rescuing Aliyev, One Troop is pinned down in Red Square between a surging singularity and the merciless killers of Spetsnaz Alfa Group. They're about to lose their second aircraft, they still don't have the zombie-killing MZ,

But when a disconcertingly attractive behavioural geneticist and a hotshot cryptologist stroll into her life, she begins looking for answers in the backwaters of the human genome - the 97% written off as 'junk DNA'. And when men in strange hats come looking for her hard drive, shooting first and never really asking any questions, she finds herself on the run - pursued by multiple squads of heavily-armed religious zealots, the Feds, and worse. All seek to obtain, or to suppress forever, the key to the revelatory stretch of DNA known as the Pandora Sequence. The outcome of their

beleaguered survivors facing down a world of 7 billion animated corpses. And one international team of elite special operators - supremely trained and armed, always the most skilled, resolved, and unstoppable amongst us - are humanity's last best hope for survival... BOOK TWO - MOGADISHU OF THE DEAD Alpha team is tasked with one last desperate operation: they must cross the Atlantic aboard the world's only remaining supercarrier and insert by air into the very middle of a dead continent, all in search of a rumored vaccine that might bring humanity back from the brink. But their op goes

dangerously wrong from the start, with the team scattered to hell and back, and their target site a dry hole. Now they must fight their way on foot through a city of 3 million ravening dead guys, in search of an underground bunker that might hold the Last Man on Earth. But these undead will not be like any Zulus they have ever fought before - and they surround the new target in a writhing ring of death 30 feet high on all sides... BOOK THREE - THREE PARTS DEAD Alpha team, the world's best and last surviving Tier-1 operators, are adrift on Lake Michigan - and fast drifting into what looks like a

Deep in the National Forest nearby, a former police officer and survivalist battles to keep her family alive - and tries to decide whether the commandos of Alpha are more dangerous to her alive or dead. Meanwhile, the John F. Kennedy, the world's last floating supercarrier, is run aground off the coast of Virginia - and facing a veritable hurricane of the dead, blowing in fast. Finally, back in Fortress Britain, the terrible outbreak from the Channel Tunnel turns out not to have been so contained after all - and a death grip is beginning to close on London, and
