Becoming Queen (which I've also seen listed as Becoming Queen Victoria) is a history by author Kate Williams who holds a BA and DPhil from Oxford and several MAs. However, the first third of the book is about Victoria's ancestors and, most specifically, on her cousin Charlotte who would have inherited the throne ahead of Victoria had she not died in child birth.

writing, Ms. Williams [makes] the story fresh and appealing."--The Washington Times "Sparkling, engaging."--Open Letters Monthly

Our perception of Victoria the Queen is coloured by portraits of her older, widowed self - her dour expression embodying the repressive morality propagated in her time. But *Becoming Queen* reveals an energetic and vibrant woman, determined to battle for power. It also documents the Byzantine machinations behind Victoria's quest to occupy the throne, and shows how her struggles did not end when finally the crown was placed on her head. Laying bare the passions that swirled around the

when finally the crown was placed on her head. In the late eighteenth century, monarchies were in crisis across Europe. Discontented with their mad King, George III, and his spendthrift offspring, the English pinned their hopes on the only legitimate grandchild: Princess Charlotte, daughter of George, Prince of Wales. But Charlotte died at the age of twenty-two, a few hours after giving birth to a stillborn son. A grieving nation immediately began venerating her as someone who would have made an ideal Queen while Charlotte's rickety uncles embarked on a race to produce the next heir. No one thought that little Victoria, daughter of the Duke of Kent, would ascend the throne. She, in turn, became increasingly

monarch.

A lively and poignant biography of the young princess who, at the impressionable age of eleven, found that she was now heiress to the throne, by the New York Times bestselling author of *Becoming Queen Victoria*. We can hardly imagine a Britain without Elizabeth II on the throne. It seems to be the job she was born for. And yet for much of her early life the young princess did not know the role that her future would hold. She was our accidental Queen. Elizabeth's determination to share in the struggles of her people marked her out from a young age. Her father initially refused to let her volunteer as a nurse during the Blitz, but relented

when she was 18 and allowed her to work as a mechanic and truck driver for the Women's Auxiliary Territorial Service. It was her forward-thinking approach that ensured that her coronation was televised, against the advice of politicians at the time. Kate Williams reveals how the 25-year-old young queen carved out a lasting role for herself amid the changes of the 20th century. Her monarchy would be a very different one to that of her parents and grandparents, and its continuing popularity in the 21st century owes much to the intelligence and elusive personality of this remarkable woman.

Spitalfields, 1840. Catherine Sorgeiul is nineteen and lives with her uncle in a rambling house in London’s East End. Sheltered and nervous, she has few companions and little to occupy the days beyond her own colourful imagination. But then a murderer strikes the city, ripping open the chests of young girls and stuffing hair into their mouths to resemble a beak, leading the press to christen him the Man of

## Read Book Becoming Queen Kate Williams

Crows. Catherine becomes obsessed with the grim crimes, and as she devours the news, she discovers she can channel the voices of the dead . . . and comes to believe she will eventually channel the Man of Crows himself. The murders continue to incite panic in the city, and Catherine gradually realizes she has put herself in the centre of a deadly trap of sexual obsession, deceit and betrayal. Elegant, mysterious and thrilling, *The Pleasures of Men* reveals the dark, beating heart of 19th-century London, where corruption and desperate desires lurked under a serene surface.

Elizabeth and Mary were cousins and queens, but

## Read Book Becoming Queen Kate Williams

eventually it became impossible for them to live together in the same world. This is the story of two women struggling for supremacy in a man's world, when no one thought a woman could govern. They both had to negotiate with men—those who wanted their power and those who wanted their bodies—who were determined to best them. In their worlds, female friendship and alliances were unheard of, but for many years theirs was the only friendship that endured. They were as fascinated by each other as lovers; until they became enemies. Enemies so angry and broken that one of them had to die, and so Elizabeth ordered the execution of Mary. But first they were each other's lone female friends in a violent

man's world. Their relationship was one of love, affection, jealousy, antipathy—and finally death. This book tells the story of Mary and Elizabeth as never before, focusing on their emotions and probing deeply into their intimate lives as women and queens. They loved each other, they hated each other—and in the end they could never escape each other.

For fans of *Atonement*, *Birdsong*, and *Downton Abbey*, the first of three novels about a privileged British family enduring the trials of World War I, from New York Times bestselling author Kate Williams. In the idyllic early summer of 1914, life is good for the de Witt family. Rudolf and Verena are planning the

## Read Book Becoming Queen Kate Williams

wedding of their daughter Emmeline, while their eldest son, Arthur, is studying in Paris, and Michael is just back from his first term at Cambridge. Celia, the youngest of the de Witt children, is on the brink of adulthood and secretly dreams of escaping her carefully mapped-out future and exploring the world. But the onslaught of war changes everything and soon the de Witts find themselves sidelined and in danger of losing everything they hold dear. As Celia struggles to make sense of the changing world around her, she lies about her age to join the war effort and finds herself embroiled in a complex plot that puts not only herself but those she loves in danger. With gripping detail and brilliant empathy, Kate Williams

## Read Book Becoming Queen Kate Williams

tells the story of Celia and her family as they are shunned by a society that previously embraced them, torn apart by sorrow, and buffeted and changed by the storms of war.
