Behind Closed Doors Secrets of Great Management by Johanna Rothman and Esther Derby. Great management is difficult to see as it occurs. Great management happens in one-on-one meetings and with other managers—all in private. It's hard to learn management by example when you can't see it.

Behind Closed Doors - Pragmatic Bookshelf

"Behind Closed Doors" is a relatively small set of essays about project manager Sam and his team. The idea is not new. Tom DeMarco in his remarkable "Deadline: A Novel about Project Management" already tried this idea: to tell a story about poor guy who is constantly facing some project management issues.

Great management is difficult to see as it occurs. It's possible to see the results of great management, but it's not easy to see how managers achieve those results. Great management happens in one-on-one meetings and with other managers---all in private. It's hard to learn management by example when you can't see it. You can learn to be a better manager---even a great manager---with this guide. You'll follow along as Sam, a manager just brought on board, learns the ropes and deals with his new team over the course of his first eight weeks on the job. From scheduling and managing resources to helping team members grow and prosper, you'll be there as Sam makes it happen. You'll find powerful tips covering: Delegating effectively Using feedback and goal-setting Developing influence Handling one-on-one meetings Coaching and mentoring Deciding what work to do---and what not to do ...and more. Full of tips and practical advice on the most important aspects of management, this is one of those books that can make a lasting and immediate impact on your career.

Morris Frost has a filthy job. He takes covert illegal photographs of couples getting it on and sells the photos for top dollar to his greasy boss, Bernie. Bernie does with the photos what he wants, but Morris knows a lot of his dealings end in blackmail. Still, it's great pay, and Morris is good at what he does, until he meets Ciara. She's a charming waitress he talks up at the local diner, but she's also sleeping with a high profile married man. When Morris snaps her picture, he knows he can never see her again. He's possibly just ruined her life. He'd be okay sinking back into the city's underbelly of gambling and cheap motels, but something about his last assignment makes him sick. Morris decides to make a change, but the change won't be pretty. What began as simple photography turns into a bloody vendetta, all in the name of Ciara's honor. First, he'll need to trade his camera for a gun. Then, he'll pay back all the people who paid him---but he may become a monster in the process.

This book is a reality-based guide for modern projects. You'll learn how to recognize your project's potholes and ruts, and determine the best way to fix problems - without causing more problems. Your project can't fail. That's a lot of pressure on you, and yet you don't want to buy into any one specific process, methodology, or lifecycle. Your project is different. It doesn't fit into those neat descriptions. Manage It! will show you how to beg, borrow, and steal from the best methodologies to fit your particular project. It will help you find what works best for you and not for some mythological project that doesn't even exist. Before you know it, your project will be on track and headed to a successful conclusion.

What others in the trenches say about The Pragmatic Programmer... "The cool thing about this book is that it's great for keeping the programming process fresh. The book helps you to continue to grow and clearly comes from people who have been there." --Kent Beck, author of Extreme Programming Explained: Embrace Change "I found this book to be a great mix of solid advice and wonderful analogies!" --Martin Fowler, author of Refactoring and UML Distilled "I would buy a copy, read it twice, then tell all my colleagues to run out and grab a copy. This is a book I would never loan because I would worry about it being lost." --Kevin Ruland, Management Science, MSG-Logistics "The wisdom and practical experience of the authors is obvious. The topics presented are relevant and useful.... By far its greatest strength for me has been the outstanding analogies---tracer bullets, broken windows, and the fabulous helicopter-based explanation of the need for orthogonality, especially in a crisis situation. I have little doubt that this book will eventually become an excellent source of useful information for journeymen programmers and expert mentors alike." --John Lakos, author of Large-Scale C++ Software Design "This is the sort of book I will buy a dozen copies of when it comes out so I can give it to my clients." --Eric Vought, Software Engineer "Most modern books on software development fail to cover the basics of what makes a great software developer, instead spending their time on syntax or technology where in reality the greatest leverage possible for any software team is in having talented developers who really know their craft well. An excellent book." --Pete McBreen, Independent Consultant "Since reading this book, I have implemented many of the practical suggestions and tips it contains. Across the board, they have saved my company time and money while helping me get my job done quicker! This should be a desktop reference for everyone who works with code for a living." --Jared Richardson, Senior Software Developer, iRenaissance, Inc. "I would like to see this issued to every new employee at my company...." --Chris Cleeland, Senior Software Engineer, Object Computing, Inc. "If I'm putting together a project, it's the authors of this book that I want. . . . And failing that I'd settle for people who've read their book." --Ward Cunningham Straight from the programming trenches, The Pragmatic Programmer cuts through the increasing specialization and technicalities of modern software development to examine the core process---taking a requirement and producing working, maintainable code that delights its users. It covers topics ranging from personal responsibility and career development to architectural techniques for keeping your code flexible and easy to adapt and reuse. Read this book, and you'll learn how to Fight software rot; Avoid the trap of duplicating knowledge; Write flexible, dynamic, and adaptable code; Avoid programming by coincidence; Bullet-proof your code with contracts, assertions, and exceptions; Capture real requirements; Test ruthlessly and effectively; Delight your users; Build teams of pragmatic programmers; and Make your developments more precise with automation. Written as a series of self-contained sections and filled with entertaining anecdotes, thoughtful examples, and interesting analogies, The Pragmatic Programmer illustrates the best practices and major pitfalls of

many different aspects of software development. Whether you're a new coder, an experienced programmer, or a manager responsible for software projects, use these lessons daily, and you'll quickly see improvements in personal productivity, accuracy, and job satisfaction. You'll learn skills and develop habits and attitudes that form the foundation for long-term success in your career. You'll become a Pragmatic Programmer.

There comes a time in your life when you step back and look at yourself. You admire your accomplishments, your triumphs, and your goals attained, and smile with the knowledge that you have reached a level of happiness you had set out for yourself. But then something happens and your world goes into chaos and life as you once knew it disappears into this black abyss and the only one who can see it is you. This book is a testament to a life I loved and without even knowing, changed before my very eyes. It is a compilation of a past life that collided with my present mind and heart and as a result, has brought me to where I am now. These narratives and poems speak a truth from the past to the present, in hopes that I may cleanse my pallet and start fresh, in a life where I am my own guide and master of my own dreams. This will be a life of new goals, accomplishments, and triumphs. I step into the next chapter of my life, a blank page ready to be written.

Craig Donovan is a man who has everything going for him; a loving wife, a beautiful daughter and his dream job as a pastor of a successful megachurch. Living in a lavish mansion you would think that Pastor Donovan has it all but what goes on behind the four walls of their mansion will rock the world and could destroy his pristine reputation. Craig has secrets from his past that could destroy everything he has been working so hard for should it be made public. First Lady Donovan has an image to protect and she will stop at nothing to ensure that they keep their good name regardless of what is happening to her marriage or her relationship with her daughter. She doesn't care who she has to run over or walk on to get what she wants. Armani Donovan is stuck between two parents who want different things which cause her to be confused at times. She finds comfort in the arms of her boyfriend but when tragedy strikes will the couple be able to keep their relationship in tact? What will happen if the congregation discovers all the secrets that are being kept from them? Will Craig maintain control of his megachurch or will he lose everything?

Every Move You Make. . . Surveillance expert Seth Mackey knows everything about the women that his millionaire boss toys with--and tosses aside. Raine Cameron is something different. Night after night, Seth watches her on a dozen different video screens. Her vulnerable beauty haunts him and her fresh innocence stirs a white-hot passion that he can barely control. Raine is pure temptation, but Seth has something more important to take care of first. He's convinced that his boss, Victor Lazar, is responsible for his half-brother's murder. He cannot put his secret investigation at risk, but he can't stop wanting her--craving her--and soon he knows he can't let Victor have her. For Raine may be Victor's next victim. . . Every Breath You Take Raine knows she's being watched--but no one can see the secrets in her heart. She has reasons of her own to seek revenge on Victor Lazar, and she will, despite her fear--and the distracting presence of Seth Mackey. Though Raine has little experience with men, Seth's fiercely masculine good looks and animal sensuality stir her most erotic fantasies when she's along. . .and lead her to a bold plan. Offering her body to him, surrendering totally to his ruthless desire might well push her beyond all emotional limits--and beyond fear itself.

THE INSTANT NEW YORK TIMES AND USA TODAY BESTSELLING DEBUT PSYCHOLOGICAL THRILLER YOU CAN'T MISS! The perfect marriage? Or the perfect lie? "A hair-raising debut, both unsettling and addictive...A chilling thriller that will keep you reading long into the night." –Mary Kubica, New York Times and USA Today bestselling author of The Good Girl "This is one readers won't be able to put down." –Booklist (starred review) "A can't-put-down psychological thriller." –Library Journal (starred review) "This debut is guaranteed to haunt you...Warning: brace yourself." –Bustle (10 New Thrillers to Read This Summer) "The sense of believably and terror that engulfs Behind Closed Doors doesn't waver." –The Associated Press, picked up by The Washington Post "This was one of the best and most terrifying psychological thrillers I have ever read." –San Francisco Book Review Everyone knows a couple like Jack and Grace. He has looks and wealth; she has charm and elegance. He's a dedicated attorney who has never lost a case; she is a flawless homemaker, a masterful gardener and cook, and dotes on her disabled younger sister. Though they are still newlyweds, they seem to have it all. You might not want to like them, but you do. You're hopelessly charmed by the ease and comfort of their home, by the graciousness of the dinner parties they throw. You'd like to get to know Grace better. But it's difficult, because you realize Jack and Grace are inseparable. Some might call this true love. Others might wonder why Grace never answers the phone. Or why she can never meet for coffee, even though she doesn't work. How she can cook such elaborate meals but remain so slim. Or why she never seems to take anything with her when she leaves the house, not even a pen. Or why there are such high-security metal shutters on all the downstairs windows. Some might wonder what's really going on once the dinner party is over, and the front door has closed. From bestselling author B. A. Paris comes the gripping thriller and international phenomenon Behind Closed Doors.

Great management is difficult to see as it occurs. It's possible to see the results of great management, but it's not easy to see how managers achieve those results. For twenty years, they had been closer than sisters, sharing girlhood secrets, their hopes and dreams for the future—and a soul-searing promise. Melissa was the only one who knew what had really happened to Jannie beyond the sacred walls of the Mormon Temple the night that changed her life forever... UNTIL HER BEST FRIEND VANISHED WITHOUT A TRACE. Now Melissa has gone missing, just days after entrusting Jannie with a mysterious box that someone would kill to possess. And someone has—leaving in their murderous wake an innocent victim and a trail of blood that leads to the heart of Jannie's hidden burden. Desperate to protect her secret, and to find out what has happened to Melissa, Jannie trusts no one. Not the stranger whose piercing green eyes have already seen too much, nor the family and friends whose familiar fold may be shielding a cold-blooded killer who is lurking BEHIND CLOSED DOORS.
