Chock-full of information from The World Almanac for Kids, the books in this series provide stimulating puzzles and games that can be used as quick stand-alone activities or to reinforce classroom lessons. Each subject-specific section includes valuable background information along with brain teasers that develop a variety of skills and appeal to all types of learners.

Looking for a romantic adult game to spice things up in the bedroom? This naughty game will be a perfect appetizer to the main course. How do you play this game? 1. Find a body part (e.g. lips) in the first word search and combine it with action found in the second word search (e.g. lick). 2. Take the required action (lick lips). You can set the time limit for finding a word (e.g. 2 minutes). Play the game even 50 times! Enjoy!

In today's dynamic health care environment, medical assistants are playing an increasingly important role. DELMAR'S CLINICAL MEDICAL ASSISTING, Fifth Edition, helps you gain the knowledge and skills needed to succeed in this rewarding, rapidly growing field. Known for its thorough coverage, extensive technical detail, and accurate, up-to-date content, this proven book covers clinical tasks such as taking patients' medical histories, recording vital signs, explaining procedures, and assisting care providers during exams, as well as administrative duties including managing patient information, electronic medical records (EMR), insurance documentation, billing, and bookkeeping. In addition, chapter material and learning objectives are clearly mapped to ABHES, CAAHEP, and MAERB competencies, with an increased focus on professionalism and personal effectiveness, to help you hone practical, real-world skills and prepare for certification. The guide also supports effective learning with a variety of online resources to help you make the most of your study time, including interactive quizzes for self-assessment and the popular Critical Thinking Challenge application. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
