Common Phrases - George Carlin Brain Droppings George Carlin

Brain Droppings is a 1997 book by comedian George Carlin. This was Carlin's "first real book" and contains much of Carlin's stand-up comedy material. According to the cover, the book contains "jokes, notions, doubts, opinions, questions, thoughts, beliefs, assertions, assumptions, and disturbing references" and "comedy, nonsense, satire, mockery, merriment, sarcasm, ridicule, silliness, bluster, and toxic alienation".

Brain Droppings - Wikipedia

A few lines from Carlin's book, Brain Droppings I like sports because I enjoy knowing that many of these macho athletes have to vomit before a big game. Any guy who takes a job where you gotta puke first is my kind of guy. Some see the glass as half-empty, some see the glass as half-full. I see the glass as too big.

Carlin offers his creative finest in *The Best of Braindroppings*. From the random braindropping ("When you sneeze, all the numbers in your head go up by one.") to favorite oxymorons ("holy war," for one), and from questions to ponder ("Why are there no B batteries?" for instance) to his classic monologue comparing baseball and football, this little book packs in a lot of laughs.

A hilarious new collection of razor-sharp observations from the New York Times bestselling author of *Brain Droppings*. Few comics make the transition from stage to page as smoothly or successfully as George Carlin. *Brain Droppings* spent a total of 40 weeks on the New York Times bestseller list, and this new one is certain to tickle even more ribs (and rattle a few more cages) with its characteristically ironic take on life's annoying universal truths. In *Napalm & Silly Putty*, Carlin doesn't steer clear of the tough issues, preferring instead to look life boldly in the eye to pose the questions few dare to ask: How can it be a spy satellite if they announce on TV that it's a spy satellite? Why do they bother saying "raw sewage"? Do some people cook that stuff? In the expression "topsy-turvy," what exactly is meant by "turvy"? And he makes some startling observations, including: Most people with low self-esteem have earned it. Guys don't seem to be called "Lefty" anymore. Most people don't know what they're doing, and a lot of them are really good at it. Carlin also waxes wickedly philosophical on all sorts of subjects, including: KIDS--They're not all cute. In fact, if you look at them closely, some of them are rather unpleasant looking. And a lot of them don't smell too good either. DEATH ROW--If you're condemned to die they have to give you one last meal of your own request. What is that all about? A group of people plan to kill you, so they want you to eat something you like? Add to the mix "The Ten Most Embarrassing Songs of All Time," "The 20th Century Hostility Scoreboard," and "People I Can Do Without," and you have an irresistibly insouciant assortment of musings, questions, assertions, and assumptions guaranteed to please the millions of fans waiting for the next Carlin collection--and the millions more waiting to discover this comic genius.

Three comedic classics in one, by the legendary George Carlin. Includes *Brain Droppings*, *Napalm and Silly Putty*, and *When Will Jesus Bring the Pork Chops?* For four decades, George Carlin has been one of America's favorite comics, known as much for his willingness to take on taboo subjects as for his absurdist wordplay. As an author, he has proved equally popular: With combined sales of more than two million copies, Carlin's three books of razor-sharp and hilarious observations have topped bestseller lists nationwide. Now, for the first time as an ebook, Hachette Books proudly collects all three volumes--*When Will Jesus Bring the Pork Chops?*, *Napalm and Silly Putty*, and *Brain Droppings*--into one hilarious omnibus.

On the heels of George Carlin's #1 New York Times bestseller *Napalm & Silly Putty* comes *When Will Jesus Bring the Pork Chops?*--infused with Carlin's trademark irreverent humor and biting cultural observations. Here we go again . . . George Carlin's hilarious *When Will Jesus Bring the Pork Chops?* offers his cutting-edge opinions and observational humor on everything from evasive euphemistic language to politicians to the media to dead people. Nothing and no one is safe! Despite the current climate of political correctness, Carlin is not afraid to take on controversial topics: Carlin on the media: The media comprises equal parts business, politics, advertising, public relations, and show business. Nice combination. Enough bull for Texas to open a chain of branch offices. Carlin on the battle of the sexes: Here's all you have to know about men and women: women are crazy, men are stupid. And the main reason women are crazy is that men are stupid. Carlin on hygiene: When did they pass a law that says the people who make my sandwich have to be wearing gloves? I'm not comfortable with this. I

Bookmark File PDF Brain Droppings George Carlin

don't want glove residue all over my food; it's not sanitary. Who knows where these gloves have been? Carlin on evasive language: Just to demonstrate how far using euphemisms in language has gone, some psychologists are now actually referring to ugly people as those with "severe appearance deficits." Hey, Doctor. How's that for "denial"? Carlin on politics: No self-respecting politician would ever admit to working in the government. They prefer to think of themselves "serving the nation." To help visualize the service they provide the country, you may wish to picture the things that take place on a stud farm. The thinking person's comic who uses words as weapons, Carlin puts voice to issues that capture the modern imagination. For instance, why are there Ten Commandments? Are UFOs real? What will the future really be like? This brand-new collection tackles all that and more. In *When Will Jesus Bring the Pork Chops?* Carlin's razor-sharp observations demolish everyday values and leave you laughing out loud--delivering exactly what his countless fans have been waiting for.

This ebook features added multimedia content: an interview with George Carlin's daughter Kelly about life with her dad, and a tribute video with interviews with Susie Essman, Michael Ian Black, Richard Belzer, George Wendt, and Jeffrey Ross, who talk about Carlin's incredible ability to make people laugh. One of the undisputed heavyweight champions of American comedy, with nineteen appearances on the Johnny Carson show, thirteen HBO specials, five Grammys, and a critical Supreme Court battle over censorship under his belt, George Carlin saw it all throughout his extraordinary fifty-year career, and made fun of most of it. *Last Words* is the story of the man behind some of the most seminal comedy of the last half century, blending his signature acerbic humor with never-before-told stories from his own life, including encounters with a *Who's Who* of 1970s celebrity—from Lenny Bruce to Hugh Hefner—and the origins of some of his most famous standup routines. Carlin's early conflicts, his long struggle with substance abuse, his turbulent relationships with his family, and his triumphs over catastrophic setbacks all fueled the unique comedic worldview he brought to the stage. From the heights of stardom to the low points few knew about, *Last Words* is told with the same razor-sharp wit and unblinking honesty that made Carlin one of the best-loved comedians in American history

George Carlin's been working the crowd since "the counterculture" became "the over-the-counter culture" around 1967 or so; his new book, *Brain Droppings*, surfs on three decades of touring-in-support. It's the purest version of book-as-candy that one could imagine, serving up humor in convenient, bite-sized packages. Snack on chewy one-liners like "A meltdown sounds like fun. Like some kind of cheese sandwich." Or: "If you can't beat them, arrange to have them beaten." *Brain Droppings* also contains highlights from Carlin's concert repertoire, and that more than makes up for the occasional spray of pointless nihilism. Tell us, George, what exactly were you going for with "Kill your pet" and "Satan is cool" Quick--hide the paper before Daddy sees it! Still, if you're a fan of this sarcastic semanticist who's given *Bad Attitude* not necessarily a good name, but at least a comfy bank account, by all means rush out and snag *Brain Droppings*. Carlin's book melts in your mind, not in your hand.

A perfectly gift-able, perfectly cynical, slipcased omnibus of George Carlin's trademark irreverence--including bonus never-before-published material. For four decades, George Carlin has been one of America's favorite comics, known as much for his willingness to take on taboo subjects as for his absurdist wordplay. As an author, he has proved equally popular: With combined sales of more than two million copies, Carlin's three books of razor-sharp and hilarious observations have topped bestseller lists nationwide. Now, just in time for the holidays, Hyperion proudly collects all three volumes--When Will Jesus Bring the Pork Chops?, Napalm and Silly Putty, and Brain Droppings--into one hilarious omnibus, a slipcased edition that also includes new material.

A unique illustrated memoir by Sally Wade, the love of George Carlin's life for ten years, THE GEORGE CARLIN LETTERS: THE PERMANENT COURTSHIP OF SALLY WADE is a collection of never-before-seen writings and artwork by the late great comedian (representing at least 1/3 of the text in the book), woven into Wade's beautifully told chronicle of the last ten years of their life together. The book provides a rare glimpse into the man behind the legend. George Carlin wrote to Sally daily—notes, postcard, letters...he even started fights on paper; the title is taken from his very last note, which Sally found propped up on her computer upon returning from the hospital the day he died. One of the greatest love stories ever told...hilariously, until the release of this book, no one but Sally has ever seen this side of George Carlin. And everyone is guaranteed to fall in love with both of them.
