The fun and easy way to speak Spanish With Mexico the #1 international destination for Americans, over 14 million secondary school students enrolled in Spanish classes, and Spanish the primary language in many neighborhoods from L.A. to Miami, this should easily be the most popular title in our new phrase book series, following in the footsteps of Spanish For Dummies (0-7645-5194-9), which has sold more than 300,000 copies. Susana Wald is a writer, teacher, and translator.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- ¡Arriba! Comunicación y cultura is a highly flexible program-one that can be used effectively in a wide range of learning environments by students who learn in different ways and use technology to varying degrees. ¡ Arriba! has been consistently praised for its clarity and for providing materials that are both motivating and easy to use. We believe that you will find these qualities reflected in the sixth edition as well. From a new cultural focus in Perfiles that introduces the cultures of the Hispanic world through personal perspectives to new opportunities for cross-cultural learning throughout; learners can now interact with Spanish in a dynamic way. You can also gauge your progress with new section-ending ¡Cuánto saben? activities that help you put everything together in realistic, role-play situations. With the new Presencia hispana notes, you can see that Spanish is right outside their door in your local community, making learning Spanish applicable and useful in your life. See for yourself how this new, personal approach combined with the hallmarks of clear grammar explanations and a wealth of meaningful practice activities brings Spanish to life! Note: This is the standalone book, if you want Arriba!: Comunicación y culturabook with MySpanishLab with Pearson eText -- Access Card order the ISBN below: 0205203337 / 9780205203338 ¡Arriba!: Comunicación y cultura with MySpanishLab eText (24 MO) Package consists of 0205032923 / 9780205032921 MySpanishLab with Pearson eText -- Access Card -- for ¡Arriba!: Comunicación y cultura (24-month access) 0205740375 / 9780205740376 ¡Arriba!: Comunicación y cultura

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Answer key available for download from the "features" tab on the publisher's website: https://rowman.com/ISBN/9780761863755/Bilingual-Grammar-of-English-Spanish-Syntax-With-Exercises-and-a-Glossary-of-Grammatical-Terms-3rd-Edition

Increased concern for patient safety has put the issue at the top of the agenda of practitioners, hospitals, and even governments. The risks to patients are many and diverse, and the complexity of the healthcare system that delivers them is huge. Yet the discourse is often oversimplified and underdeveloped. Written from a scientific, human factors perspective, Patient Safety: A Human Factors Approach delineates a method that can enlighten and clarify this discourse as well as put us on a better path to correcting the issues. People often think, understandably, that safety lies mainly in the hands through which care ultimately flows to the patient—those who are closest to the patient, whose decisions can mean the difference between life and death, between health and morbidity. The human factors approach refuses to lay the responsibility for safety and risk solely at the feet of people at the sharp end. That is where we should intervene to make things safer, to tighten practice, to focus attention, to remind people to be careful, to impose rules and guidelines. The book defines an approach that looks relentlessly for sources of safety and risk everywhere in the system—the designs of devices; the teamwork and coordination between different practitioners; their communication across hierarchical and gender boundaries; the cognitive processes of individuals; the organization that surrounds, constrains, and empowers them; the economic and human resources offered; the technology available; the political landscape; and even the culture of the place. The breadth of the human factors approach is itself testimony to the realization that there are no easy answers or silver bullets for resolving the issues in patient safety. A user-friendly introduction to the approach, this book takes the complexity of health care seriously and doesn't over simplify the problem. It demonstrates what the approach does do, that is offer the substance and guidance to consider the issues in all their nuance and complexity.

Simply the best investment for anyone learning to write in French! This powerful program combines the features of a word processor with databases of language reference material, a searchable dictionary, a verb conjugating reference, and audio recordings of vocabulary, and example sentences. You will quickly learn to read, analyze, see word associations, and understand the link between language functions and linguistics structures in French.

Feeling like a fish out of water when her family moves from Los Angeles to a recently inherited chicken farm, 12-year-old Sophie encounters a telekinetic chicken and her equally unusual flockmates, who are endangered by a thieving farmer. Simultaneous eBook.

In 1569 the Spanish viceroy Francisco de Toledo ordered more than one million native people of the central Andes to move to newly founded Spanish-style towns called reducciones. This campaign, known as the General Resettlement of Indians, represented a turning point in the history of European colonialism: a state forcing an entire conquered society to change its way of life overnight. But while this radical restructuring destroyed certain aspects of indigenous society, Jeremy Ravi Mumford's Vertical Empire reveals the ways that it preserved others. The campaign drew on colonial ethnographic inquiries into indigenous culture and strengthened the place of native lords in colonial society. In the end, rather than destroying the web of Andean communities, the General Resettlement added another layer to indigenous culture, a culture that the Spaniards glimpsed and that Andeans defended fiercely.
