A working guide to the proper methods of interacting with the full Vodou pantheon • Includes the myths, cultural heritage, and ancestral lineage of the lwa and how to honor and serve them • Provides an introduction and guide that is especially useful for the solitary practitioner • Discusses the relationship between Vodou, Haitian culture, and Catholicism In The Haitian Vodou Handbook, Kenaz Filan, an initiate of the Société la Belle Venus, presents a working guide to the proper methods of interacting with the full Vodou pantheon, explaining how to build respectful relationships with the lwa, the spirits honored in Haitian Vodou, and how to transform the fear that often surrounds the Vodou religion. Until recently, the Haitian practice of Vodou was often identified with devil worship, dark curses, and superstition. Some saw the saint images and the Catholic influences and wrote Vodou off as a " Christian aberration. " Others were appalled by the animal sacrifices and the fact that the Houngans and Mambos charge money for their services. Those who sought Vodou because they believed it could harness " evil " forces were disappointed when their efforts to gain fame, fortune, or romance failed and so abandoned their " vodoo fetishes. " Those who managed to get the attention of the lwa, often received cosmic retaliation for treating the spirits as attack dogs or genies, which only further cemented Vodou ' s stereotype as " dangerous. " Filan offers extensive background information on the featured lwa, including their mythology and ancestral lineage, as well as specific instructions on how to honor and interact fruitfully with those that make themselves accessible. This advice will be especially useful for the solitary practitioner who doesn ' t have the personal guidance of a société available. Filan emphasizes the importance of having a quickened mind that can read the lwa ' s desires intuitively in order to avoid establishing dogma-based relationships. This working guide to successful interaction with the full Vodou pantheon also presents the role of Vodou in Haitian culture and explores the symbiotic relationship Vodou has maintained with Catholicism.

Vodou Money Magic reveals how to change your financial situation through pleasing the spirits who govern financial matters, explaining what services each can provide in attaining wealth or finding a fulfilling career.

A guide to the practices, tools, and rituals of New Orleans Vodoo as well as the many cultural influences at its origins • Includes recipes for magical oils, instructions for candle workings, and directions to create gris-gris bags and Vodoo dolls to attract love, money, justice, and healing and for retribution • Explores the major figures of New Orleans Vodoo, including Marie Laveau and Dr. John • Exposes the diverse ethnic influences at the core of Vodoo, from the African Congo to Catholic immigrants from Italy, France, and Ireland One of America ' s great native-born spiritual traditions, New Orleans Vodoo is a religion as complex, free-form, and beautiful as the jazz that permeates this steamy city of sin and salvation. From the French Quarter to the Algiers neighborhood, its famed vaulted cemeteries to its infamous Mardi Gras celebrations, New Orleans cannot escape its rich Vodoo tradition, which draws from a multitude of ethnic sources, including Africa, Latin America, Sicily, Ireland, France, and Native America. In The New Orleans Vodoo Handbook, initiated Vodou priest Kenaz Filan covers the practices, tools, and rituals of this system of worship as well as the many facets of its origins. Exploring the major figures of New Orleans Vodoo, such as Marie Laveau and Dr. John, as well as Creole cuisine and the wealth of musical inspiration surrounding the Mississippi Delta, Filan examines firsthand documents and historical records to uncover the truth behind many of the city ' s legends and to explore the oft-discussed but little-understood practices of the root doctors, Vodoo queens, and spiritual figures of the Crescent City. Including recipes for magical oils, instructions for candle workings, methods of divination, and even directions to create gris-gris bags, mojo hands, and Vodoo dolls, Filan reveals how to call on the saints and spirits of Vodoo for love, money, retribution, justice, and healing.

A working guide on how to find love and sexual fulfillment by working with the lwa, the spirits of Haitian Vodou • The first book on wanga (love magic) by an actual Vodou initiate • Provides spells and spirit work for many different problems associated with affairs of the heart • Spells included are detailed and easy to follow Haitian Vodou, like other folk traditions, is an eminently practical craft. Vodou practitioners see their relationship with the lwa—the spirits honored in Haitian Vodou—as mutually beneficial rather than one-sided. In return for sincere offerings, the lwa are happy to provide protection and support in dealing with life ' s problems—which more often than not concern love. In Vodou Love Magic, Kenaz Filan details the myriad aspects of love and sex governed by the different lwa and explains what services each can provide in attaining fulfilling relationships—and who will likely offer the best wisdom for your needs. If you are having trouble meeting people, Legba ' s Opening the Door spell can resolve this difficulty. If you wish more fire in a relationship, then you should work with the warrior spirit Papa Ogou. Filan presents easy-to-follow instructions for numerous love spells and also reveals how the lwa offer counsel for dealing with ending relationships, toxic behavior patterns like codependency, or romantic triangles. Vodou Love Magic does not provide a magic genie who will fulfill every wish, but it does offer access to a team of spirits who can help transform dreams into realities.

A guide to the practices, tools, and rituals of New Orleans Vodoo as well as the many cultural influences at its origins • Includes recipes for magical oils, instructions for candle workings, and directions to create gris-gris bags and Vodoo dolls to attract love, money, justice, and healing and for retribution • Explores the major figures of New Orleans Vodoo, including Marie Laveau and Dr. John • Exposes the diverse ethnic influences at the core of Vodoo, from the African Congo to Catholic immigrants from Italy, France, and Ireland One of America ' s great native-born spiritual traditions, New Orleans Vodoo is a religion as complex, free-form, and beautiful as the jazz that permeates this steamy city of sin and salvation. An insider ' s view of the inner workings and prevalence of spirit possession in our modern world • Provides practical techniques for preparation, safety, aftercare, and aborting harmful possessions • Reveals the forms of ritual possession present throughout the world—including Uganda, Nepal, Korea, Bali, Greece, Turkey, Scandinavia, and France Drawing Down the Spirits presents an insider ' s view of the inner workings, sacred traditions, and prevalence of spirit possession existing in our modern world. Spirit possession is an integral part of shamanism as well as many neo-pagan forms of worship that draw down deities or invite spirit possession. However, spirit possession is not for the unprepared. In Drawing Down the Spirits, Kenaz Filan and Raven Kaldera, both initiated and experienced in shamanic and Vodou traditions, present the practical guidance needed to participate in ritual possession. Addressing the benefits and the dangers that await the naive, Filan and Kaldera show that there is no such thing as a guaranteed " safe " possession because spirits have their own agenda—and they are much more powerful than we are. The authors provide a variety of techniques to prepare for possession and abort possession and to promote the safety of the possessed as well as the spirits and witnesses present. With a wide-ranging look at the historic forms of ritual possession found throughout the world—including Uganda, Nepal, Korea, Bali, Greece, Turkey, Scandinavia, and France—the authors also include numerous firsthand accounts collected from witnesses of modern spirit possession.

Haitian Vodou is a fascinating spiritual tradition rich with ceremonies and magic, songs and prayers, dances and fellowship. Yet outside of Haiti, next to no one understands this joyous and profound way of life. In Haitian Vodou, Mambo Chita Tann explores the historical roots and contemporary practices of this unique tradition, including discussions of: Customs, beliefs, sacred spaces, and ritual objects Characteristics and behaviors of the Lwa, the spirits served by Vodou practitioners Common misconceptions such as "vodoo dolls" and the zombie phenomenon Questions and answers for attending ceremonies and getting involved in a sosyete (Vodou house) Correspondence tables, Kreyol glossary, supplemental prayer texts, and an extensive list of reference books and online resources Well-researched, comprehensive, and engaging, Haitian Vodou will be a welcome addition for people new to Haitian spirituality as well as for students, practitioners, and academics.

A comprehensive look at the inspiring, healing, and addictive powers of the Opium Poppy and its derivatives throughout history • Covers the history, risks, and benefits of opium, morphine, oxycodone, methadone, and fentanyl • Provides techniques of cultivation, extraction, and safe consumption as well as methods for overcoming addiction and staying " clean " • Profiles 11 famous users, including Thomas de Quincey, William S. Burroughs, Lou Reed, and DJ Screw Few plant allies have a history as long and well-documented as Papaver somniferum, the celebrated and infamous opium poppy. For thousands of years people around the world have been unable to resist the poppy ' s siren song of intoxicating pleasure, pain relief, and visionary states—so much so that this potent plant has literally adapted itself to human civilization: in increasing its intoxicating properties, it came to rely solely on humankind for its propagation. From 6,000-year-old poppy seeds found in archaeological digs in Europe to the black tar heroin factories of South America and the modern " War on Drugs, " Kenaz Filan explores the history of this enduring plant and its many derivatives—including opium, morphine, oxycodone, methadone, and fentanyl—as well as its symbiotic relationship with humans as medicine, food, intoxicant, and visionary tool. Profiling 11 famous users including Thomas de Quincey, William S. Burroughs, Lou Reed, and DJ Screw, Filan examines how opium and other poppy derivatives inspired them as well as the high price it exacted for its inspiration. Covering techniques of cultivation, extraction, and safe consumption along with methods for overcoming addiction and staying " clean, " this book offers a sensible approach to the poppy that recognizes the plant not as a crop to be harvested or eradicated but as a living, sentient ally that can offer healing or harm and must be approached with respect and caution.

A study of how medicine and morality in rural Haiti are shaped both by local religious traditions and by biomedical and folk medical practices.
