Accelerate sales and improve customer experience Every day, most working professionals entrust their most important messages to a form of communication that doesn't build trust, provide differentiation, or communicate clearly enough. It's easy to point to the sheer volume of emails, text messages, voicemails, and even social messaging as the problem that reduces our reply rates and diminishes our effectiveness. But the faceless nature of that communication is also to blame. Rehumanize Your Business explains how to dramatically improve relationships and results with your customers, prospects, employees, and recruits by adding personal videos to emails, text messages, and social messages. It explains the what, why, and how behind this new movement toward simple, authentic videos land when to replace some of your plain, typed-out communication with webcam and smartphone recordings.  Restore face-to-face communication for clarity and connection  Add a personal, human touch to your emails and other messages  Meet people who've sent thousands of videos  Learn to implement your own video habit in an easy, time-saving way  Boost your replies, appointments, conversion, referrals, and results dramatically If you're ready to influence, teach, sell, or serve in a more personal way, Rehumanize Your Business is your guide.

Worldwide tours, internet downloads, international album distribution--the global market for music is expanding with lightning speed and that means big opportunities for everyone in the music business. The main obstacle? Lack of knowledge. The world market is packed with opportunity, but it's also full of cultural, regulatory, administrative, legal, political and logistical pitfalls. This Business of(tm) Global Music Marketing offers a map of the world, with full information on how to break into the global market, how to distribute records abroad, how to find an audience, how to package records to appeal to local markets, how to establish partnerships with foreign businesses, how to deal with different rules of trade and much more. A companion volume to author Tad Lathrop's top-selling This Business of(tm) Music Marketing and Promotion, This Business of(tm) Global Music Marketing offers everyone in the music business a chance to go global.

We're in the midst of a digital media-making revolution--and the Canon Vixia G10 and XA10 camcorders are at the forefront. Blurring the line between "pro-sumer" and professional, the G10 and XA10 are sharper, cleaner, more compact, more portable, and boast more professional features than any prior palm-sized camcorder in their price range. This book is a comprehensive field guide to the concepts, strategies, equipment, and procedures for achieving the best results possible with Canon's top-of-the-line palm-sized camcorders. The guide focuses on the specific features of the Canon Vixia HF G10 and XA10, but users of other camcorders in the Vixia series, the Legria series (shooting PAL), and other camcorders will find a wealth of relevant information. With a high-definition palm-sized camcorder such as the Canon Vixia G10 or XA10, your potential is limited only by your imagination and your resourcefulness.
