Children Of The Night Dan
Dan Simmons is certainly one of the most inventive and literate writers of horror fiction today, and Children of the Night is without question a solid horror novel. Set in Romania just after the fall of Ceausescu's communist regime, Simmons presents a backdrop for this vampire novel that is appropriately chaotic, confusing, and corrupt.

In Romania to help treat rare blood ailments, hematologist Kate Neuman adopts a child whose body is capable of accepting any type of blood, and soon she is tracked by superhuman members of a Romanian underground.

"Simmons writes like a hot-rodding angel." –Stephen King An evil legacy comes to life in this classic and ultimately human novel about believable vampires, featuring a brand-new introduction by Dan Simmons. Children of the Night will take you to a place that no one knows—yet all of us fear. In a desolate orphanage in post-Communist Romania, a desperately ill infant is given the wrong blood transfusion—and flourishes rather than dies. For immunologist Kate Neuman, the infant's immune system may hold the key to cure cancer and AIDS. Kate adopts the baby and takes him home to the States. But baby Joshua holds a link to an ancient clan and their legendary leader—Vlad Tsepes, the original Dracula – whose agents kidnap the child. Against impossible odds and vicious enemies– both human and vampire – Kate and her ally, Father Mike O'Rourke, steal into Romania to get her baby back. "A mesmerizing tour through the ghostly, gray tatters of Romania." –Publishers Weekly "Simmons gives a chilling description of post-Ceausescu Romania and neatly ties the vampire legend into political history to create a new and clever twist to the idea of the vampire's craving for blood." –Library Journal "His best novel ever... Toothsomely well written." –Kirkus "Brilliant ideas... The most rigorous and interesting scientific rationale for vampirism I've ever seen... You keep turning the pages." –Locus

This masterfully crafted horror classic, featuring a brand-new introduction by Dan Simmons, will bring you to the edge of your seat, hair standing on end and blood freezing in your veins It's the summer of 1960 and in the small town of Elm Haven, Illinois, five twelve-year-old boys are forging the powerful bonds that a lifetime of change will not break. From sunset bike rides to shaded hiding places in the woods, the boys' days are marked by all of the secrets and silences of an idyllic middle-childhood. But amid the sundrenched cornfields their loyalty will be pitilessly tested. When a long-silent bell peals in the middle of the night, the townsfolk know it marks the end of their carefree days. From the depths of the Old Central School, a hulking fortress tinged with the mahogany scent of coffins, an invisible evil is rising. Strange and horrifying events begin to overtake everyday life, spreading terror through the once idyllic town. Determined to exorcize this ancient plague, Mike, Duane, Dale, Harlen, and Kevin must wage a war of blood—against an arcane abomination who owns the night...

"Children of the Market Place" by Edgar Lee Masters. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Told with P. D. James's trademark suspense, insightful characterization, and riveting storytelling, The Children of Men is a story of a world with no children and no future. The human race has become infertile, and the last generation to be born is now adult. Civilization itself is crumbling as suicide and despair become commonplace. Oxford historian Theodore Faron, apathetic toward a future without a future, spends most of his time reminiscing. Then he is approached by Julian, a bright, attractive woman who wants him to help get her an audience with his cousin, the powerful Warden of England. She and her band of unlikely revolutionaries may just awaken his desire to live . . . and they may also hold the key to survival for the human race.
A real-estate mogul's attempts to build a deluxe Hawaiian resort are undermined by the disappearance of guests, discovery of strange beasts capable of human speech, and volcanic eruptions, as vengeful gods bring their immortal rivalries into the modern world.

ONE OF THE most-requested Little Golden Books is back in print! Millions of baby boomers remember little Dan, who stops crying over a scratch as soon as Mother puts a bandage on it. Soon the dolls and teddy bears in Dan's house are wearing bandages, too. This charming story from the 1950s was so popular that it's now featured in the Smithsonian's permanent collection.

Inspired by his years as a clinical psychologist, first-time author, Dan Dylan, writes about the cycle of abuse in his novel, "Chameleon" (ISBN 1439234140). Adults interested in psychology, sociopathy, and the cyclical nature of child abuse should find this novel realistic and gripping. Retired FBI profiler John Foster, Ph.D., now a respected Chicago psychologist, has diagnosed and treated mental disorders throughout his career, but he finds himself seriously challenged by the diagnostic puzzle presented by suspected sociopath Eddie Vinson. Foster becomes snared in a lethal game of one-up-manship and must draw on his years of professional training and experience to anticipate Vinson's actions as he consults with law enforcement to bring him to justice. Foster's brief therapeutic contacts with Vinson yield a complex clinical picture, but there is sufficient evidence to indicate that Eddie Vinson was a victim of chronic parental neglect and repeated sexual abuse. Thus, "Chameleon" chronicles the evolution of a child victim to adult sociopath whose actions and distorted views of self and society perpetuate the cycle of abuse."Incidents of abuse grab headlines and occur every minute of every day," Dylan said. "Neglect and abuse have consequences that impact us all. In the absence of treatment, some abused children can-and do-become abusive or violent adults." With more than 35 years of practice in clinical psychology, Dylan has witnessed the cycle of abuse firsthand, often spanning multiple generations, and in extreme cases, adult survivors of abuse pass on to their children the trauma of their own victimization. Using fiction as his medium, Dylan shares with his readers one psychologist's perspective of child abuse and its ramifications.

This book is uniquely original and can be personalized with any girl's name. How fun is that? Over 500 book names already published on Amazon! Think of the possibilities: baby or shower gifts, birthdays, a special something from grandma, and more. You can purchase the book's title as shown (this book is in AVERY'S NAME), OR you can request a new book be published in the name you desire. It's easy to order in 3 steps: 1.
