provides the perfect cover for his side job: working with the rebel Shadow Ravens to undermine the ruling Seligo government. Everything is running like clockwork until he crosses paths with Quanta. As he watches her deftly maneuver through life in a perverse prison, his plastic heart melts. A jailbreak would be suicide, but Tair is willing to sacrifice everything to give her a chance at happiness. Now Quanta senses a terrifying new future brewing. She and Tair are bound together, but every image of them kissing, snuggling, and acting knee-weakeningly happy is balanced by a much darker possibility.

Shadow Ravens' compound is a disaster. She's drowning in visions of the dark pasts and darker futures of her fellow Ravens and is plagued by her own panic-inducing memories, but Lady Eva still expects her to "train" and "participate in missions." Plus, the food tastes like burnt plastic. The only bright spot is her genetic pairing to the brilliant Altair Orpheus. As their relationship grows, she's positive that chemicals aren't the only things drawing them together—although chemistry is definitely involved. In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the Shadow Children series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the

And just like a fireball, once this story is ignited, it just doesn't stop." – Maria V. Snyder, New York Times bestselling author of Navigating the Stars. From USA Today Bestselling Author Aileen Erin comes the second book in the Aunare Chronicles Broken, beaten-down, and plagued by nightmares, Amihanna di Aetes is surrounded by the Aunare race that makes up the other half of her heritage, but she feels alien amongst them. She's not sure which is worse: SpaceTech's overt hatred of Aunare or the Aunare's covert hatred of halfers. She hears their whispers and sees her death reflected in their eyes.

Amihanna doesn't know who to trust anymore, but she hasn't survived this long by ignoring the warning signs all around her, especially when her instincts are screaming to either flee or fight. With Amihanna's sudden return, questions arise among the Aunare: who should be blamed for a full-scale war with SpaceTech, how much danger will the war bring, and is Amihanna truly fit to be the next high queen? Honestly, Amihanna wants to forget the politics, her betrothal to Lorne, and the possibility of being queen. Her needs are much more basic. All she wants is a solid night's sleep where she doesn't wake up
