in American politics,  
showing that political  
actors, though motivated  
by their own interests,  
are governed by the  
Constitution, the law,  
and institutional rules,  
as well as influenced by  
the strategies of others.  
The 5th edition features  
17 new readings,  
including 5 pieces  
written specifically for  
this volume. True to
