Miller Test Prep's study guide for the
ACCUPLACER is the solution for
students who want to maximize their score
and minimize study time. Our study
guides are carefully designed to provide
only that clear and concise information
you need. That's precisely why we put
"Clear & Concise" on our cover. The
standard for the study guide industry is to
"throw in the kitchen sink" when it comes
to making a book, meaning you are stuck
with hundreds of pages of repetitive

information, redundant and confusing examples, and more practice questions than any person could be expected to work through. This results in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores! Instead, Miller Test Prep has worked specifically with tutors. Why tutors you ask? Tutors specialize in helping students comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed, to succeed. We compiled their decades of experience helping students just like you into this study guide, so you pass the first time! In this ACCUPLACER book, we ensure you are thoroughly prepared for this critically important test:
