Daniel And Revelation Compared by Clarence Larkin

Daniel & Revelation Avoiding deep 'theological' language, the prophetic books speak their message in a way that all can understand. "Jesus rejoiced in spirit, and said, I thank thee, O Father, Lord of heaven and earth, that thou hast hid these things from the wise and prudent, and hast revealed them unto babes: even so, Father; for so it seemed good in thy sight."

As we compare the two prophecies, we see that the first beast of Revelation 13 and the little horn of Daniel 7 are one and the same, both representing papal Rome. Five main points of Revelation 13 clearly indicate that the first beast is none other than the little horn power of Daniel 7—the Antichrist Roman power:

Daniel 2 & 7, along with Revelation 13, are talking about 4 Kingdoms that have ruled the world (Babylon, Medo-Persia, Greece, and Rome) and a future Roman or European empire that will have 10 kings. Daniel looks into the future and lists the kingdoms as they would arise—Babylon, Medo-Persia, Greece, and Rome. The Apostle John, in the Revelation 13,

In 2010 he won the ECPA Christian Book of the Year award in the Christian Education category for Christian History Made Easy. Staff comments "I like the Rose Guide to End Times Prophecy because it levels the playing field. It shows options of how to interpret prophecies in the Bible rather than saying, "This is the only way Christians believe." It has a balanced approach, which is better for small group study. It just lays out the facts of how Christians over the centuries have understood these passages." - Glen, Customer Service Manager "Stunning art and fantastic side-by-side comparison charts. Bible passages clear. Some end-times prophecies in the Bible were a mystery even to the biblical writers. No wonder people have varying interpretations today. It's good to survey what Bible scholars think about each Bible verse, rather than having just one viewpoint pushed on you." - Gene, Operations Manager "This book does an amazing job in clarifying and comparing the different Christian views. It's very insightful and highly visually appealing." - Sergio, Design Director "Rose Guide to End Times Prophecy gave me choices. It showed the different ways of understanding the Book of Daniel and Revelation. And it helped me know what each viewpoint really teaches. A lot of people know only one part of a view, but they don't understand all the rest of the beliefs that go along with that view." - Gretchen, Publisher

Endorsements from Seminary and Bible College Professors
In the midst of eschatological debates and arguments, this book [Rose Guide to End Times Prophecy] provides a refreshingly fair and irenic approach to a difficult and sensitive topic. It will certainly help the reader understand the breadth of theological issues involved in discussing the end times. Most importantly, it places the reader's attention on the issue the Scriptures emphasizes: the glory of God and His faithfulness to His Word. Having this biblical perspective makes this book a must read for those in the church to rightly grasp the content and beauty of eschatology. Dr. Abner Chou, The Master's College, Santa Clarita, CA It doesn't take long for a discussion of the end times to get kooky, hyper-complex, or both. If you're afraid to talk about the last days

because you're afraid you'll wind up gazing at byzantine prophecy charts or listening to someone talk about how you ought to be storing up food and weapons, this book is for you. Timothy Paul Jones, one of the most brilliant scholars in the Christian world, takes the words of Jesus seriously, all of them, including the ones about the end. He takes them so seriously that he refuses to hide them under a bushel of scholarly jargon or of sensationalistic hype. Read and be blessed. Russell D. Moore, Provost, The Southern Baptist Theological Seminary Kudos to Dr. Timothy Paul Jones – he has taken a difficult subject and presented it concisely, clearly, and colorfully. Jones's book offers the fruit of scholarship and research in such a way that both scholar and non-scholar alike can read and profit. He is eminently

measured and fair in his presentation of the various views that Christians have held on prophecy and the future. I especially appreciate how Jones allows the reader to see representative views, on topic after topic, speak for themselves. Here is the book [Rose Guide to End-Times Prophecy] that I will want close at hand when I preach or teach biblical passages relating to the future. Guy Prentiss Waters, Associate Professor of New Testament, Reformed Theological Seminary, Jackson, MS It seems that the Christian interest in the end times will never end. Unfortunately, much confusion reigns within the various evangelical camps regarding what the other camps believe. If you are interested in really understanding the several evangelical approaches to the end times this study is a must!

Dr. Jones knows his material well and presents it clearly. I highly commend Dr. Jones for his intelligent, fair, and practical presentation of the Four Views of the End Times. Kenneth L. Gentry, Jr., Th.D. Author, He Shall Have Dominion and Before Jerusalem Fell A Professor tells why he is choosing Rose Guide to End-Times Prophecy I was sent a copy of the book Rose Guide to End-Times Prophecy with the request to consider writing an endorsement for it. Quite frankly, I had no desire to do so, as I quit reading books on prophecy when I graduated from Bible College over 35 years ago. You see, while in college I backed up with Scripture, to my satisfaction, several contradictory views on how to interpret the book of Revelation. That resulted in me laying aside the whole area of end-time prophecy and saying I am

going to focus instead on discipling nations, as commanded by Jesus. I figured, eschatology was obviously ambiguous, and to fight and argue over interpretations was unprofitable to the furthering of the administration of God, which is by faith (1 Tim. 1:4). However, when I first glanced at this book, I was struck by the full color charts on almost every page. I love charts, as so much information can be communicated so clearly in such a small amount of space. They captured my eyes, were easy to read and laid out multiple views of eschatology side by side, without feeling a need to judge any of them. Instead they simply showed the key unique emphases of each interpretative view along with its scriptural basis. As I began to read I really got excited. Timothy Paul Jones was not putting anyone down. He was not judging or

condemning or insisting his view was right and everyone else was wrong. As a matter of fact, he was not even stating what his view was. He was simply, honestly and clearly presenting the four major views of Revelation in a clear, concise, orderly manner. So then I asked myself, but why even care about these four different ways of interpreting the book of Revelation? And as I turned to the next page (page 72), the author asked the question, "Why does it matter?" obviously fully in tune with his reading audience (which is something I absolutely love about the book). Then he gives the best answer to that question I have ever heard. It is so we know and appreciate the historical positions the church has held on the book of Revelation, so we can be informed and so we can learn to respect and honor those who hold positions different

from ours. Well this is refreshing, and as God has been telling me that I need to honor all people. In my early Christian life, I was trained to judge and put down everyone who held a view different than mine, so I destroyed the unity of the body of Christ, because of my theological beliefs on things which were not essential to the message of salvation by faith in our Lord and Savior, Jesus Christ. This is an outstanding book, which clearly and simply lays out four differing views of end-time prophecy, providing scriptural support for each, showing the unique approaches each view takes, and encouraging you to understand and not judge those who disagree with you. Finally we can honor and love all people (1 Pet. 2:17) as we consider various views of interpreting end time prophecy. What a gift to the body of Christ. Thank you Timothy Paul
