The most thorough coverage ever given to this bloodthirsty opening, which set Fischer on his way to the World Championship. Coverage of all the key lines should interest chess enthusiasts at every level. Intermediate

The Modern Benoni offers Black a fighting game right from the opening, and is ideal for counter-attacking players who like to strive for the initiative right from the opening moves. This book considers every variation of the strategy.

'This romantic opening is a real rarity at top-level chess. Probably the greatest expert on this line right now is England's Grandmaster Joe Gallagher.' - Nigel Short in The Daily Telegraph

Intended for all competitive players, particularly juniors, this text provides a guide to the Benoni and the Benko gambit. Following a new method of teaching the Openings, read and play as formulated by the authors, it explains strategic and tactical concepts, focusing on understanding and not memorizing the variations. The authors are both expert chess players. Robert Bellin is an International Master and Pietro Ponzetto is the Italian chess coach.

A tremendously popular opening for both club players & grandmasters.

The French defence is an excellent choice of opening for club and tournament players, leading to exciting tactical play with black aggressively trying to undermine the white pawn centre. At Grandmaster level, the defence is a favourite of such players as Victor Korchnoi, Jan Timman and Nigel Short.

A study of the crucial Benoni systems apart from the Modern Benoni. This book presents diverse and practical options against the queen's pawn opening for dynamic, tactical players and solid, positional players alike. It will be useful for those wanting to understand the basics of Benoni Systems.
