The prequel to Clipped Wings— “ twisted, dark, incredibly erotic...a love story like no other ” (USA TODAY bestselling author Alice Clayton)—this emotional tale follows Hayden and Tenley as they struggle to let go of their pasts and maintain an emotionally safe distance from each other. Tenley Page is looking for a new start: a new city, a new apartment, a new life.

An emotional love story that follows the touch-and-go relationship of Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. Their body art is hot. Their chemistry is even hotter. From her dark hair sweeping below her waist to her soft, sexy curves, Tenley Page intrigues tattoo artist Hayden Stryker in a way no one else ever has...especially when she asks him to ink a gorgeous, intricate design on her back. Yet for all her beauty, there is something darkly tragic and damaged about Tenley that Hayden is everything. Covered in ink and steel, Hayden is everything Tenley has never dared to want, awakening a desire to explore more than the art adorning his stunning body. Trapped by a past that leaves her screaming from nightmares, Tenley sees Hayden as the perfect escape. Although he has secrets too, if they both keep themselves guarded perhaps their intense physical connection will remain only that. But nothing, not even passion, can keep them safe from their pasts...

The prequel to Clipped Wings— “ twisted, dark, incredibly erotic...a love story like no other ” (USA TODAY bestselling author Alice Clayton)—this emotional tale follows Hayden and Tenley as they struggle to let go of their pasts and maintain an emotionally safe distance from each other. Tenley Page is looking for a new start: a new city, a new apartment, a new life. Her plan is to keep to herself and stay focused. But leaving her past behind and starting over isn ' t as easy as she thought. And neither is maintaining her solitude. As Tenley settles into her new surroundings, she finds herself drawn to Inked Armor, the tattoo studio across the

street. But it ' s the gorgeous, dark-haired tattoo artist who captures her interest. There ' s something about his severe beauty that captivates her—and not just in her waking hours. Covered in the ink he inscribes on other people ' s skin, Hayden Stryker has made a career out of being a tattooist. He ' s got his own business and a tight circle of friends. As far as he ' s concerned, that ' s all he needs. At least until his aunt, who owns the antiques and used book store across from his tattoo studio, hires a new employee. At first his intrigue is based on physical appeal; hot chick equals something nice to look at. But as he begins to catch glimpses of the fiery personality under the fragile, feminine exterior, his fascination with Tenley grows. Annoyed by his inability to control his fixation, Hayden decides the best way to cure him of the new obsession is to get to know the girl under her skittish façade. But like the ink he wears as armor, Tenley has the ability to get under his skin and stay there.

In this follow-up to *Clipped Wings*, the emotional love story continues between Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. In the wake of losing Tenley Page, tattooist Hayden Stryker's tumultuous past is haunting him. Plagued by nightmares about the murder of his parents, Hayden reaches out again to Tenley. Having run from the man she doesn't believe she deserves, Tenley finally lays her guilt to rest. Despite their intense physical attraction, Hayden and Tenley struggle to repair their fragile emotional connection. As Hayden gets closer to the truth, he must find a way to reconcile his guilt over his parents' death in order to keep the woman who finally cracked his armor, and found her way into his heart.

An emotional love story that follows the touch-and-go relationship of Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. Chris, a sexy tattoo artist, tries to win the heart of Sarah, a grad student with little interest in him, in this second e-short and follow-up to Helena Hunting ' s gripping love story, *Clipped Wings*— “ twisted, dark, incredibly erotic...a love story like no other ” (USA TODAY bestselling author Alice Clayton). Part owner of the Chicago tattoo shop *Inked Armor*, Chris Zelter is a talented artist who decorates skin with gorgeous designs. He might look the part of the typical jacked-up, inked-up bad-boy, but underneath is a fiercely loyal, complicated man. Kicked out at sixteen, Chris has had to fend for himself for the last twelve years, making his *Inked Armor* crew as much family as they are business partners. For him, it ' s enough—until he meets Sarah Adamson. A grad student waitressing at the local strip club, Sarah is used to propositions and crude comments. The job is a means to an end—finish her MBA, pay off the tuition loans, and get a good job. Then she won ' t have to rely on anyone to take care of her. So when brawny, tatted up Chris begins hanging out at the club, she rebuffs his advances. At first. But Chris isn ' t like her usual clientele: despite his hard exterior, he ' s almost...sweet. Sometimes, the people with the roughest edges have the biggest hearts.

Having failed English, eighteen-year-old Steve York must generate a paper to get credit and chooses to write about his years in high school, during which he experienced his first love and struggled with family relationships.

Join Princess Mini on all of her princess adventures at the Royal Fairy Academy in this super-sweet story that 's launching QUIX, a new line of fun-to-read short chapter books that are perfect for emerging readers. Princess Mini is worried about starting a new school and making new friends—even with a little troll named Gobo by her side. It 's not always easy being a princess! Will she come to learn that her new school and new friends could lead to more adventures than she could possibly imagine?

Treat yourself to an "outrageously sexy" (Entertainment Weekly), "fabulously fun" (Jill Shalvis) second-chance romance from the New York Times bestselling queen of hockey romance! Lilah isn't sure what hurt worse: the day Ethan left her to focus on his hockey career or the day he came back eight years later. He might think they can pick up just where they left off, but she's no longer that same girl and never wants to be again. Ethan wants his glory days back. And that includes having Lilah by his side. With her, he was magic. They were magic. All he has to do is make her see that. Just when Lilah might finally be ready to let Ethan in, though, she finds out their reunion might have nothing to do with love and everything to do with improving his game. But Ethan's already lost her once, and even if it costs him his career, he'll do anything to keep from losing her again. "I couldn't stop turning the pages of this sexy, second-chance romance." -Amy E. Reichert, author of *The Coincidence of Coconut Cake* "Hunting sparkles in this well-plotted contemporary." -Publishers Weekly Included in POPSUGAR's "Hold On to the Hot Days of Summer With These 12 Sexy New Books!" iBooks' "Best of the Month" August 2018 Pick! Barnes & Noble Top Pick! Amazon's choice for "Best Romance of August!" "If you love rom-coms, don't miss this second-chance romance novel." -Hello Giggles What readers are saying about *The Good Luck Charm...* "Sexy rom-com at its finest!" "Helena Hunting is the queen of romantic comedy." "Easily my favorite book Ms. Hunting has written." "My fave read from Helena Hunting yet." "Just as good as the *Pucked* series." "This was awesome!" "Refreshing, light, swoony, and sexy."

“ A brave and illuminating journey inside the mind, heart, and life of a person with early-onset Alzheimer 's disease. ” —Lisa Genova, author of *Still Alice* Wendy Mitchell had a busy job with the British National Health Service, raised her two daughters alone, and spent her weekends running and climbing mountains. Then, slowly, a mist settled deep inside the mind she once knew so well, blurring the world around her. She didn 't know it then, but dementia was starting to take hold. In 2014, at age fifty-eight, she was diagnosed with young-onset Alzheimer 's. In this groundbreaking book, Mitchell shares the heartrending story of her cognitive decline and how she has fought to stave it off. What lay ahead of her after the diagnosis was scary and unknowable, but Mitchell was determined and resourceful, and she vowed to outwit the disease for as long as she could. As Mitchell learned to embrace her new life, she began to see her condition as a gift, a chance to experience the world with fresh eyes and to find her own way to make a difference. Even now, her sunny outlook persists: She devotes her time to educating doctors, caregivers, and other people living with dementia, helping to reduce the stigma surrounding this insidious disease. Still living independently, Mitchell now uses Post-it notes and technology to remind her of her routines and has created a “ memory room ” where she displays photos—with labels—of her daughters, friends, and special places. It is a room where she feels calm and happy, especially on days when the mist descends. A chronicle of one woman 's struggle to make sense of her shifting world and her mortality, *Somebody I Used to Know* offers a powerful rumination on memory, perception,

and the simple pleasure of living in the moment. Philosophical, poetic, intensely personal, and ultimately hopeful, this moving memoir is both a tribute to the woman Wendy Mitchell used to be and a brave affirmation of the woman she has become. Praise for *Somebody I Used to Know* “ Remarkable . . . Mitchell gives such clear-eyed insight that anyone who knows a person living with dementia should read this book. ” —The Times (London) “ A landmark book . . . The best reward for [Mitchell ’ s] courage and candour would surely be fundamental changes in the way people with dementia are treated by society. ” —Financial Times

'Malala is an inspiration to girls and women all over the world.' - J.K. Rowling
Written by Malala in collaboration with critically acclaimed author, Patricia McCormick, this children's edition tells the remarkable story of a girl who knew from a young age that she wanted to change the world - and did. Her journey will open your eyes to another world and will make you believe in hope, truth, miracles, and the determination of one person to inspire change. Raised in a once-peaceful area of Pakistan transformed by terrorism, Malala was taught to stand up for what she believes. So she fought for her right to be educated. And on 9 October, 2012, she nearly lost her life for the cause. She was shot point-blank on her way home from school. No one expected her to survive. Now, she is an international symbol of peaceful protest and the youngest-ever Nobel Peace Prize winner. This book is a must-read for anyone who believes in the power of change.
