Zarek's Point of View: Dark-Hunter: A soulless guardian who stands between mankind and those who would see mankind destroyed. Yeah, right. The only part of that Code of Honor I got was eternity and solitude. Insanity: A condition many say I suffer from after being alone for so long. But I don't suffer from my insanity-I enjoy every minute of it. Trust: I can't trust anyone...not even myself. The only thing I trust in is my ability to do the wrong thing in any situation and to hurt anyone who gets in my way. Truth: I endured a lifetime as a Roman slave, and 900 years as an exiled Dark-Hunter. Now I'm tired of enduring. I want the truth about what happened the night I was exiled-I have nothing to lose and everything to gain. Astrid (Greek, meaning star): An exceptional woman who can see straight to the truth. Brave and strong, she is a point of light in the darkness. She touches me and I tremble. She smiles and my cold heart shatters. Zarek: They say even the most damned man can be forgiven. I never believed that until the night Astrid opened her door to me and made this feral beast want to be human again. Made me want to love and be loved. But how can an ex-slave whose soul is owned by a Greek goddess ever dream of touching, let alone holding, a fiery star?

As the Earl of Blackmore, Lucas Devalle is no stranger to the scandals propagated by Society's elite, particularly since more than a few of those scandals have come about due to the Devalle family's affairs. As such, it comes as no surprise when a young lady in search of a scandal attempts to entrap him at the ball he's giving to honor his brother's betrothal. He is surprised when second young lady intervenes in the name of freeing him from an undesirable fate. Why would anyone feel the need to safeguard his name when he is one of the devilish Devalles? When she escaped into the gardens at Lord Blackmore's ball, Miss Julianna Selwyn's intentions had merely been to escape from an elderly, marriage-minded marquess's unwanted advances. She never planned to eavesdrop on her host. But no matter how wicked Lord Blackmore is purported to be, he doesn't deserve to be forced into the parson's mousetrap when he's done nothing wrong. Had Julianna not overheard every sordid detail of a young lady's plan to ensnare the earl, however, she might have avoided initiating her own scandalous to-do. With his curiosity piqued, Luke does what any reasonable man, rogue or not, would do--he seeks out an introduction to his charming liberator. Upon uncovering Julianna's

dilemma, he's determined to return the favor as only he can: he makes certain his rescuer gets more than just A Dance with the Devil.

In *To Dance with the Devil*, the latest entry in Cat Adams's Blood Singer series, Celia Graves's newest client is one of the last surviving members of a magical family that is trapped in a generations-old feud with other magic-workers. She's supposed to die at the next full moon unless Celia can broker peace between the clans or break the curse before it can take effect. For the first time in a long while, Celia's personal life is looking up. Her vampire abilities seem to be under control, her Siren abilities have gotten more reliable, and even though her office was blown up, her services are more in demand than ever now that she's fought off terrorists and been part of the royal wedding of the year. Her friends all seem to be finding love and her grandmother has—finally—agreed to go to family therapy. The only trouble spot is Celia's love life. Not long ago, she had two boyfriends. Now she barely has one and she isn't sure she wants him. But Bruno DeLuca is a powerful mage and Celia needs his help...especially after she's attacked and her client is kidnapped. important and even funny" (Jeremy Schaap, New York Times–bestselling author of *Cinderella Man*). The people of Brazil celebrated when it was announced that they were hosting the World Cup—the world's most-viewed athletic tournament—in 2014 and the 2016 Summer Olympics. But as the events were approaching, ordinary Brazilians were holding the country's biggest protest marches in decades. Sports journalist Dave Zirin traveled to Brazil to find out why. In a rollicking read that travels from the favelas of Rio de Janeiro to the fabled Maracanã Stadium to the halls of power in Washington, DC, Zirin examines Brazilians' objections to the corruption of the games they love; the toll such events take on impoverished citizens; and how taking to the streets opened up an international conversation on the culture, economics, and politics of sports. "Millions will enjoy the World Cup and Olympics, but Zirin justly reminds readers of the real human costs beyond the spectacle." —Kirkus Reviews

Immortalized in the spellbinding documentary *Dear Zachary*, this angry, raw, and brutally honest memoir of murder and loss chronicles a system's failure to prevent the death of a child. In November 2001, the body of a young doctor named Andrew Bagby was discovered in Keystone State Park outside Latrobe, Pennsylvania, five bullet wounds in his face, chest, buttocks, and the back of the head. For parents Dave and Kate, the pain was unbearable—but Andrew's murder was only the first in a string of tragic events. The chief suspect for Andrew's murder was his ex-girlfriend Shirley Turner—also a doctor. Obsessive and unstable, Shirley Turner lied

to the police and fled to her family home in Newfoundland before she could be arrested. While fending off extradition efforts by U.S. law enforcement, she announced she was pregnant with Andrew's son, Zachary. The Bagbys—hoping to gain custody of Zachary—moved to Newfoundland and began a long, drawn-out battle in court and with Canadian social services to protect their grandson from the woman who had almost certainly murdered their son. Then, in August 2003, Shirley Turner killed herself and the one-year-old Zachary by jumping into the Atlantic Ocean. DANCE WITH THE DEVIL is a eulogy for a dead son, an elegy for lives cut tragically short, and a castigation of a broken system.

Even in a world of secrets and misfits, Chris stands apart, an unusual product of black magic that left him born half-ghost. Long used to being bullied and maligned for his strangeness, he spends his days helping the paranormals that everyone else forgets about. The people he hunts and the mysteries he solves take him along unusual paths, many of them dangerous. But Chris has never been a fan of running from a fight—even the fight that takes him to the door of the most dangerous man in the city.
