Darkest Powers Trilogy (Darkest Powers, #1-3) by Kelley ...

The Darkest Powers is a series of paranormal novels by Kelley Armstrong. The series revolves around The Edison Group, a team of supernatural scientists, and the subjects they have experimented on. The novels are divided into two trilogies. The Summoning, The Awakening, and The Reckoning comprise The Darkest Powers trilogy, which follows fifteen-year-old necromancer Chloe Saunders. The Gathering, The Calling, and The Rising comprise The Darkness Rising trilogy, which follows a sixteen-year-old gi

Darkest Powers is a young adult urban fantasy trilogy. It's set in the same universe as the Otherworld series, but with entirely new characters who are teenagers who have increased powers after being modified before birth. The Summoning Chloe Saunders sees dead people. Yes, like in the films. The problem is, in real life saying you see ghosts gets you a one-way ticket to the psych ward. And at ...

The Darkest Powers Series is probably the first trilogy you should read especially since this trilogy was actually published before the Darkness Rising series. It also seems to take place at a similar time, because Dr. Davidoff is still mentioned to be alive in the first book of the Darkness Rising series(The Gathering).

My name is Chloe Saunders and my life will never be the same again. All I wanted was to make friends, meet boys, and keep on being ordinary. I don't even know what that means anymore. It all started on the day that I saw my first ghost—and the ghost saw me. Now there are ghosts everywhere and they won't leave me alone. To top it all off, I somehow got myself locked up in Lyle House, a "special home" for troubled teens. Yet the home isn't what it seems. Don't tell anyone, but I think there might be more to my housemates than meets the eye. The question is, whose side are they on? It's up to me to figure out the dangerous secrets behind Lyle House . . . before its skeletons come back to haunt me.

Kelley Armstrong's New York Times bestselling Darkest Powers trilogy is collected here for the first time! The Summoning: Chloe is locked up in Lyle House, a "special home" for troubled teens. Yet the home isn't what it seems. There is definitely more to Chloe's housemates than meets the eye. The question is, whose side are they on? It's up to her to figure out the dangerous secrets behind Lyle House . . . before its skeletons come back to haunt her. The Awakening: Chloe Saunders is a living science experiment--not only can she see ghosts, but she was genetically altered by a sinister organization called the Edison Group. She's a teenage necromancer whose powers are out of control, which means she can raise the dead without even trying. Now Chloe's running for her life with three of her supernatural friends--a charming sorcerer, a cynical werewolf, and a disgruntled witch--and they have to find someone who can help them before the Edison Group catches them. The Reckoning: Chloe Saunders's life is not what you would call normal. First of all, she can't figure out how she feels about a certain antisocial werewolf or his charming brother--who just happens to be a sorcerer. Then there's the fact that she's running for her life from an evil corporation that's trying to kill her and her supernatural friends. And finally, she's a genetically altered necromancer who can raise the dead, rotting corpses and all, without even trying. But Chloe has a plan. And the end is very near.

Book II in the Darkest Powers trilogy takes us deeper into a world where the supernatural intrudes on the everyday with riveting effect. If you had met me a few weeks ago, you probably would have

described me as an average teenage girl – someone normal. Now my life has changed forever and I ' m as far away from normal as it gets. A living science experiment – not only can I see ghosts, but I was genetically altered by a group of people who call themselves The Edison Group. What does that mean? For starters, I ' m a teenage necromancer whose powers are out of control: I raise the dead without even trying. Trust me, that is not a power you want to have. Ever. I ' m running for my life with three of my supernatural friends – a charming sorcerer, a cynical werewolf, and a disgruntled witch – and we have to find someone who can help us gain our freedom back before The Edison Group finds us first. Or die trying.

Only two weeks ago, life was all too predictable. But that was before I saw my first ghost. Now along with my supernatural friends Tori, Derek, and Simon, I'm on the run from the Edison Group, which genetically altered us as part of their sinister experiment. We're hiding in a safe house that might not be as safe as it seems. We'll be gone soon anyway, back to rescue those we'd left behind and take out the Edison Group . . . or so we hope.

On the heels of the wildly popular "The Darkest Powers" series comes the first in another supernatural YA trilogy from New York Times bestselling author Kelley Armstrong. Maya lives in a small medical-research town on Vancouver Island. How small? You can't find it on the map. It has less than two-hundred people, and her school has only sixty-eight students — for every grade from kindergarten to twelve. Now, strange things are happening in this claustrophobic town, and Maya's determined to get to the bottom of them. First, the captain of the swim team drowns mysteriously in the middle of a calm lake. A year later, mountain lions start appearing around Maya's home, and they won't go away. Her best friend, Daniel, starts getting negative vibes from certain people and things. It doesn't help that the new bad boy in town, Rafe, has a dangerous secret — and he's interested in one special part of Maya's anatomy: Her paw-print birthmark.

This extended-length anthology of novellas and short fiction complements the Darkest Powers and Darkness Rising trilogies, adding new dimensions to the characters and extending their stories beyond the series. Dangerous returns to Derek and Simon's past and tells how they came to be at Lyle House. Divided continues Derek's story, filling in his adventures with Simon while separated from Chloe. In Disenchanted, Tori takes center stage as she travels with Simon after Chloe and Derek go missing. In Facing Facts, Chloe helps Tori deal with the truth about her parents. Derek faces family issues of his own in Belonging, when his werewolf clan comes to claim him. The New Guy and The Invitation switch over to the Darkness Rising trilogy, giving a peek into the lives of Maya, Daniel and Rafe before their world is upended. Everyone comes together for Atoning, set after the two groups of teens have converged and face a new adventure in their lives together.

The heart-stopping final book in the Darkness Rising trilogy, from New York Times-bestselling author Kelley Armstrong! Things are getting desperate for Maya and her friends. Hunted by two powerful Cabals, they're quickly running out of places to hide. And with the whole world thinking they died in a helicopter crash, they can't simply go to the authorities for help. All they have is the name and number of someone who might be able to give them a few answers. Answers to why they're so valuable to the Cabals, and why their supernatural powers are getting more out of control. Maya is unprepared for the truths that await her, but she'll have to face them if she ever hopes to move on with her life. Because she can't keep running forever. With all the twists, thrills, and romance that have made Kelley Armstrong an international bestseller--plus the surprising return of some favourite characters--The Rising will keep you under its spell long after the last page is turned.

A riveting stand-alone short story from bestselling author Kelley Armstrong. Kat is a sixteen-year-old vampire, and she's not too happy about it. After an experiment-gone-wrong and a bullet to the heart, she now hungers for human blood, and the worst part about that is the guilt. But guilt isn't the only thing stressing her. Kat is being hunted by the Edison Group, a dangerous Cabal that is responsible for her undead state. Kat is running out of places to hide, and she has no one to turn to—until she meets Chad and Neil. They're on the run like she is, and they offer to help Kat against their common enemy. But the boys aren't all that they seem, and for Kat, deciding whether to trust them may be a matter of life or death. Set in the world of Kelley Armstrong's New York Times bestselling Darkest Powers and Darkness Rising series, "Hunting Kat" will leave you on the edge of your seat and thirsting for more.

The gripping finale to the New York Times bestselling Darkest Powers trilogy! In the end, there's always a reckoning. Chloe Saunders's life is not what you would call normal. First of all, she can't figure out how she feels about a certain antisocial werewolf or his charming brother—who just happens to be a sorcerer. Then there's the fact that she's running for her life from an evil corporation that's trying to kill her and her supernatural friends. And finally, she's a genetically altered necromancer who can raise the dead, rotting corpses and all, without even trying. Not normal. But Chloe has a plan. And the end is very near.

For Kate and Logan Danvers, sixteen-year-old twins of the werewolf Alpha, nothing could ruin a summer faster than the words “supernatural teen leadership conference.” They expected a boring week of earnest political discussions and team-building exercises. Instead, in Wolf ' s Bane, they got a crash-course in real-life leadership, when the camp imploded and the twins and their new friends fled into the West Virginia forest. Now, in Wolf ' s Curse, the group has taken refuge in a magically warded cabin only to discover that they might have been safer taking their chances with the demon outside. Trapped in a dark witch ' s sanctuary, surrounded by hell hounds, the twins will need to hone their leader and team building skills fast. There are battles to be waged and mysteries to be solved. Friendships to be forged in conflict and lost in betrayal. Even romances spark to life amid the turmoil. It might not be the way Kate and Logan expected to spend their week, but it will certainly be a summer camp to remember.
