A Chapter 13 filing may be the preferred method for consumers with assets they don't want to lose, if they are willing to retire as many of their debts as possible, but under a less-pressured structure. Some debt balances may be partially discharged, and the filer agrees to a monthly payment to the trustee for distribution to the remaining creditors.

A practical financial guide covers such topics as eliminating debt, investing simply, making sound financial decisions, and revolutionizing relationships with the flow of money.

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth?and the wealthy. Worse, there's a growing backlash

Read PDF Dave Ramsey Chapter 6

in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

In *Smart Money Smart Kids*, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how to win with money. Starting with the basics like working, spending, saving, and giving, and moving into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment, Dave and Rachel present a no-nonsense, common-sense approach for changing your family tree.

Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.¹ Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In *Debt-Free Degree*, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents:

- *How to prepare their child for college
- *Which classes to take in high school
- *How and when to take the ACT and SAT
- *The right way to do college visits
- *How to choose a major

A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. *Debt-Free Degree* shows parents how to pay cash for college and set their child up to succeed

Use your money as a tool to reach your goals and finally experience joy and success as you Live. Save. Spend. Repeat.

The wedding day is just one day in the life of a couple. But God's design is for marriage to last a lifetime. So how can someone know that the person they're with is the one they can truly build a life with--especially when so few marriages around them work? Pastor Scott Kedersha has worked with more than 5,000 premarital couples to prepare them for the biggest decision of their lives. In *Ready or Knot?* he offers practical and Christ-centered guidance for couples for all of the days after the wedding day. Through authentic stories from real couples about the decisions they made (or wish they'd

Read PDF Dave Ramsey Chapter 6

made), Scott asks the hard questions so his readers can break free from the watered-down Hollywood version of marriage and build their lives together on the right foundation--the unchanging Word of God.

A strategy for changing attitudes about personal finances covers such topics as getting out of debt, the dangers of cash advances and keeping spending within income limits.

Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction
