Adventure abounds when a toy comes to life in this classic novel! It's Omri's birthday, but all he gets from his best friend, Patrick, is a little plastic warrior figure. Trying to hide his disappointment, Omri puts his present in a metal cupboard and locks the door with a mysterious skeleton key that once belonged to his great-grandmother. Little does Omri know that by turning the key, he will transform his ordinary plastic toy into a real live man from an altogether different time and place! Omri and the tiny warrior called Little Bear could hardly be more different, yet soon the two forge a very special friendship. Will Omri be able to keep Little Bear without anyone finding out and taking his new friend away?

Miniature people who live in an old country house by borrowing things from the humans are forced to emigrate from their home under the clock.

#1 NEW YORK TIMES BESTSELLER #1 USA TODAY BESTSELLER #1 WALL STREET JOURNAL BESTSELLER #1 INDIE BESTSELLER "The Four Winds seems eerily prescient in 2021 . . . Its message is galvanizing and hopeful: We are a nation of scrappy survivors. We ' ve been in dire straits before; we will be again. Hold your people close. " —The New York Times "A spectacular tour de force that shines a spotlight on the indispensable but often overlooked role of Greatest Generation women."—People "Through one woman ' s survival during the harsh and haunting Dust Bowl, master storyteller, Kristin Hannah, reminds us that the human heart and our Earth are as tough, yet as fragile, as a change in the wind." —Delia Owens,

author of *Where the Crawdads Sing* From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. “ My land tells its story if you listen. The story of our family. ” Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman ’ s only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa ’ s tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

Rough draughts of some of the following tales and essays were actually written during a residence in the

Alhambra; others were subsequently added, founded on notes and observations made there. Care was taken to maintain local coloring and verisimilitude; so that the whole might present a faithful and living picture of that microcosm, that singular little world into which I had been fortuitously thrown; and about which the external world had a very imperfect idea. It was my endeavor scrupulously to depict its half Spanish, half Oriental character; its mixture of the heroic, the poetic, and the grotesque; to revive the traces of grace and beauty fast fading from its walls; to record the regal and chivalrous traditions concerning those who once trod its courts; and the whimsical and superstitious legends of the motley race now burrowing among its ruins.

The Story of the Treasure Seekers is a novel by E. Nesbit. First published in 1899, it tells the story of Dora, Oswald, Dicky, Alice, Noel, and Horace Octavius (H. O.) Bastable, and their attempts to assist their widowed father and recover the fortunes of their family; its sequels are The Wouldbegoods (1901) and The New Treasure Seekers (1904). The novel's complete name is The Story of the Treasure Seekers: Being the Adventures of the Bastable Children in Search of a Fortune. The original edition included illustrations by H. R. Millar. The Puffin edition (1958) was illustrated by Cecil Leslie.

**#1 NEW YORK TIMES BESTSELLER** • A modern, sophisticated suspense novel from National Book Award finalist, and Printz Award honoree E. Lockhart. A beautiful and distinguished family. A private island. A brilliant, damaged girl; a passionate, political boy. A group of four friends—the Liars—whose friendship turns destructive. A revolution. An accident. A secret. Lies upon lies. True love. The truth. Read it. And if anyone asks you how it ends, just LIE. "Thrilling, beautiful, and blisteringly smart, We Were Liars is utterly

unforgettable." —John Green, #1 New York Times bestselling author of *The Fault in Our Stars*

*Anne of Green Gables* is a children's classic by Canadian author L. M. Montgomery and recently adapted by Netflix in the hit series *Anne with an E*. 11-year-old Anne is mistakenly sent away from her orphanage to live on Prince Edward Island with brother and sister Matthew and Marilla Cuthbert who need help on their farm. Wild and imaginative Anne learns to find her place in the little town of Avonlea, makes friends, and strives to be the best in school. A children and adults' favourite Anne's tale of is one of love, individuality, and (mis)adventures. Lucy Maud Montgomery (1874-1942) was a Canadian author. She is most famous for her novel *Anne of Green Gables* that was an instant hit and became a series that is still enjoyed by children and parents the world over. She grew up on Prince Edward Island and was raised by her grandparents after her mother's early death. Much like her most famous character, Anne, Montgomery had a lonely childhood for which she found relief in the beautiful nature of Prince Edward and in her fierce imagination, which she very early on turned into writing. She is a canon of Canadian and children's literature with over twenty novels, and hundreds of short-stories, poems, and essays to her name.

"When her husband of a year disappears, Hannah quickly learns he is not who he said he was and is left to sort out the truth with just one ally- her husband's teenage daughter, who hates her"--
