In this third installment of The Judas Chronicles, William Barrow (AKA Judas Iscariot) is faced with recovering the silver coin he dreads above all others. Known as the "Singing Coin" among the ancients, this shekel was originally lost long ago...on the very night of Jesus Christ's arrest in Jerusalem. Hoping to save it for last, until after the other twenty-nine coins are recovered, Viktor Kaslow's recent designs for the coin thwart William's plan. A new murder spree has begun for the ruthless Kaslow, who races against William and the immortal Roderick Cooley to obtain the coin from a reclusive Essene sect residing in the Bolivian Andes. But unlike William and Kaslow's previous confrontations, this one involves many more outside interests, since this coin contains unusual properties. If it falls into the wrong hands, the entire world will be brought to its trembling knees.... The stakes have never been higher for William, his family, and the welfare of mankind. To stop Kaslow, William must rely on the help of Roderick, Alistair, and a host of others, both mortal and immortal, to have any hope of reclaiming blood coin number twenty-four before time runs out.

William Barrow carries a dark secret. A very dark secret. An archivist for the Smithsonian Institute and also a part-time operative for the CIA, no one would ever suspect the handsome 'thirty-ish' William is in fact the most reviled human being to ever walk the earth. His infectious warmth and sense of humor make such an assertion especially hard to believe. But long ago, William Barrow had another name...one that is synonymous with shame and betrayal: Judas Iscariot. Forced to walk the earth as a cursed immortal, William/Judas is on a quest to reclaim the thirty silver shekels paid to him in exchange for Jesus Christ. Twenty-one coins have now been recovered-thanks in large part to the help from his latest son, the esteemed Georgetown University history professor, Alistair Barrow. Ever hopeful the complete coin collection will buy him a full pardon from God and end his banishment from heaven, William plans a visit to a remote village deep within Iran's Alborz Mountains to retrieve 'silver coin number twenty-two'. But the CIA has a different objective for this trip, one that pits both father and son against an unscrupulous Russian billionaire searching for something else that's just as precious within the ancient mountains of Iran...something that threatens peace in the modern world if William and Alistair fail to reach it first.

The dying begins now. " I am Solomon. Remember my name." How could the world forget? The cardinals were dead, murdered with the eyes of the world watching intently. The people that were supposed to protect them had failed spectacularly. The promise had been for forty days and forty nights of fear. Now the dying has begun with that first burning body in Trafalgar Square. The media speculate that it is an attack on faith, that Solomon is out to destroy all symbols of Christianity. They fear for the holy relics, the Shroud of Turin, the Spear of Destiny, all of the fragments of the true cross, anything and everything sacred to Rome, but it is much more than that. Forty days and forty nights of fear. Can the world survive the nerve-shredding anxiety that kind of fear brings with it without turning on itself? As the first ghost planes falls out of the sky, all of its passengers and crew dead, killed by some toxic nerve agent released by one of Solomon's sleeper agents, the answer seems to be a resounding no. The enemy is too big. Too strong. The stakes too high. But that impossible fight was exactly the kind of threat his team of misfits had been assembled to face down. They were the only ones capable of acting outside the law, no restrictions on how far they can go to protect the Realm, no action too extreme - because they aren't there. They don't exist. Everything they do and have done is deniable. PRAISE FOR STEVEN SAVILE AND THE OGMIOS SERIES! " The mix of history, suspense, and action in Silver perfect for those DaVinci Code fans looking for another electrifying read combining Biblical history with modern-day Armageddon. " -Douglas Preston, NYT Bestselling author of IMPACT and BLASPHEMY " With SILVER, Steven Savile delivers a barn storming tale of action, intrigue and suspense in a plot laced with ancient secrets and modern terror. " - Matt Hilton, author of the the Joe Hunter thrillers. " Silver is the best thing since Forsyth's Day of the Jackal. " - Robert W. Walker, author of the RANSOM and INSTINCT series. " Silver is a cracker of a thriller. Savile's in a league of his own " - Jeremy Duns, author of FREE AGENT and FREE COUNTRY. " Reminiscent of James Rollins and David Morrell. " - Joseph Nassise, international bestselling author of the TEMPLAR CHRONICLES. " Fascinating, gripping, horrific, tragic and compelling. " - Steve Alten, NYT Bestselling author of MEG and THE SHELL GAME " SILVER is a wild combination of Indiana Jones, The Da Vinci Code, and The Omen. " - Kevin J Anderson, international bestselling author of THE SAGA OF SEVEN SUNS and co-author of PAUL OF DUNE

Coins have long been a vital part of the discipline of classical studies of the ancient world. However, many scholars have commented that coins have not been adequately integrated into the study of the New Testament. This book provides an interdisciplinary gateway to the study of numismatics for those who are engaged in biblical studies. Wenkel argues that coins from the 1st century were cultural texts with communicative power. He establishes a simple yet comprehensive hermeneutic that defines coins as cultural texts and explains how they might be interpreted today. Once coins are understood to be cultural texts, Wenkel proceeds to explain how these texts can be approached from three angles. First, the world in front of the coin is defined as the audience who initially read and responded to coins as cultural texts. The entire Roman Empire used coins for payment. Second, the world of the coin refers to the coin itself – the combination of inscriptions and images. This combination of inscription and image was used ubiquitously as a tool of propaganda. Third, the world behind the coin refers to the world of power and production behind the coins. This third angle explores the concept of authorship of coins as cultural texts.

In this third installment of The Judas Chronicles, William Barrow (AKA Judas Iscariot) is faced with recovering the silver coin he dreads above all others. Known as the "Singing Coin" among the ancients, this shekel was originally lost long ago...on the very night of Jesus Christ's arrest in Jerusalem. Hoping to save it for last, until after the other twenty-nine coins are recovered, Viktor Kaslow's recent designs for the coin thwart William's plan. A new murder spree has begun for the ruthless Kaslow, who races against William and the immortal Roderick Cooley to obtain the coin from a reclusive Essene sect residing in the Bolivian Andes. But unlike William and Kaslow's previous confrontations, this one involves many more outside interests, since this coin contains unusual properties. If it falls into the wrong hands, the entire world will be brought to its trembling knees...The stakes have never been higher for William, his family, and the welfare of mankind. To stop Kaslow, William must rely on the help of Roderick, Alistair, and a host of others-both mortal and immortal-to have any hope of reclaiming blood coin number twenty-four before time runs out. Acclaim for the novels of Aiden James: "The intense writing style of Aiden James kept my eyes glued to the story and the pages seemed to fly by at warp speed. ...Twists, turns, and surprises pop up at random times to keep the reader off balance. It all blends together to create one of the best stories I have read all year."--Detra Fitch, Huntress Reviews for "The Devil's Paradise""Aiden James has written a deeply psychological, gripping tale that keeps the readers hooked from page one."--Bookfinds review for "The Forgotten Eden""Aiden James writing style flows very easily and I found that "Cades Cove" snowballed into a very gripping tale. Clearly the strengths in the piece were as the spirit's interaction became prevalent with the family... The Indian lore and ceremonies and the flashbacks to Allie Mae's (earthly) demise were very powerful. I think those aspects separated the work from what we've seen before in horror and ghost tales."--Evelyn Klebert, author of "A Ghost of a Chance" and "Dragonflies""Aiden James has a keen eye for detail and an uncanny knack for scaring the hell out of me. We are watching a master at work. "The Raven Mocker" is a nearly perfect thriller. Ghost stories don't get any better than this."--J.R. Rain, Bestselling author of the "Vampire for Hire" series"As with the previous titles I have read by this author, I found the author's writing style to be silky smooth and the main plot line to be extremely creative. The fertile imagination of Aiden James definitely knows what today's readers want to see in their stories."--Detra Fitch, Huntress Reviews for "The Vampires' Last Lover"

A series of grisly deaths are linked to the sacred Stone of Scone in this compelling medieval mystery featuring friar-sleuth Brother Athelstan. "This abbey is a strange place, Brother Athelstan. A hall of ghosts, a place of flitting shadows. The dead throng here. I can hear them whispering as they ride the air." During the harsh winter of 1381 murder stalks the streets of London in all its grisly forms. The city's prostitutes are falling prey to a silent, deadly assassin known as The Flayer who carefully peels his victims' skins for his collection. At the same time, Westminster Abbey, which houses the sacred Stone of Scone, is plagued by a series of hideous poisonings. Could there be a connection between these brutally violent deaths and the stone, which the English crown cherishes as a symbol of its rule over Scotland? Then there are the two former Upright Men, leaders of the Great Revolt, who are found mysteriously hanged in the Piebald Tavern, close to Brother Athelstan's parish church of St Erconwald - and Athelstan is faced with his most baffling investigation to date. Can he navigate this deadly maze of murder and intrigue and pull the various threads together?

The rebuilding of the Temple of Jerusalem was launched by king Herod I the great in 20 BC. Considered as a center of religion and a destination of pilgrimage, the new Temple was enlarged and surrounded by a wall with gates. The Temple 's square served as a gathering place and its porticoes sheltered merchants and money- changers. During the rebellion against Rome, the Temple was entirely destroyed by the roman forces under the orders of Titus in 70 AD. After the Resurrection of the Lord Jesus Christ, this story will lead the reader to numerous places and will introduce him to different characters. One of them was a Knight Templar. He got in 1120 an ancient roman coin discovered under the

Temple while the Knights were undertaking the excavation works. This coin held a great secret that goes back to hundreds of years. Since 1120, nobody realized what the coin bears until this fact was revealed in 29th of March 1994. Through this story, more than ten years later, the reader will find out the greatest and the most valuable secret for his life.

THE GREAT BETRAYER...IN HIS OWN WORDS. First in the pulse-pounding, action-packed "Judas Chronicles" series by bestselling author Aiden James. William Barrow carries a dark secret. A very dark secret. An archivist for the Smithsonian Institute and also a part-time operative for the CIA, no one would ever suspect the handsome 'thirty-ish' William is in fact the most reviled human being to ever walk the earth. His infectious warmth and sense of humor make such an assertion especially hard to believe. But long ago, William Barrow had another name...one that is synonymous with shame and betrayal: Judas Iscariot. Forced to walk the earth as a cursed immortal, William/Judas is on a quest to reclaim the thirty silver shekels paid to him in exchange for Jesus Christ. Twenty-one coins have now been recovered—thanks in large part to the help from his latest son, the esteemed Georgetown University history professor, Alistair Barrow. Ever hopeful the complete coin collection will buy him a full pardon from God and end his banishment from heaven, William plans a visit to a remote village deep within Iran's Alborz Mountains to retrieve 'silver coin number twenty-two'. But the CIA has a different objective for this trip, one that pits both father and son against an unscrupulous Russian billionaire searching for something else that's just as precious within the ancient mountains of Iran... something that threatens peace in the modern world if William and Alistair fail to reach it first. This compelling, exciting, and at times heart-breaking supernatural adventure with nearly 500 combined 5-star reviews on Amazon and Goodreads by bestselling author Aiden James, begins the epic "Judas Chronicles" saga, a series that's been downloaded over 400,000 times! Immortal Plague is the first of eight Judas Chronicles supernatural adventures with more to come in 2019 and beyond. If you enjoy fast-paced supernatural stories that are big on action and heart, then The Judas Chronicles are for you! Wow! It's an Emotional Roller Coaster Ride! Great Book, Exciting Adventure! I started reading this story with no intention of liking Judas, the man that is believed to have betrayed Jesus, and I wanted insight into what could have caused him to do such a dreadful thing. I found myself rooting for him to find the missing "blood money--coins," to redeem his life and pay his penance for his sins.... A great story, full of great characters, humor, love, friendship, and it was well worth the time it took to read it. I look forward to the other books in this series. 5-star Amazon review Makes you think! This author is amazing! Who would have thought of Judas as a fantasy character? I hesitated as I am Christian and couldn't believe this could be good. Aiden James is NOT disrespectful to biblical truth, he just sees it in a whole different point of view. I loved these books, not finished with them all yet, but will buy them all. Don't hesitate because you are Christian; if you love fantasy, this will really intrigue you. Judas Iscariot, love him or hate him.... After several thousand years on earth, anyone would be a little warped, right? Doomed to immortality because of his betrayal of Christ, Judas Iscariot (now called William Barrow) must collect the thirty pieces of silver he was given by the Romans. But each coin has caused mayhem throughout the centuries, and the worse the history of the coin, the harder it's retrieval. Immortal Plague is the beginning of this amazing series. It's hard to put one down without immediately purchasing the next one. Each is written as a journal of sorts, I like the style. These books will take you all over the world and each story grips as much as the previous.

"Judas is a dark journey through the murderousness of Christian Anti-Semitism, culminating in the mass slaughter of more than a and their associated European butchers. Lucid, study is close to definitive on the fictive figure of Judas."—Harold Bloom
