questions and answers to help students target higher grades. Written by experienced teacher and subject expert Christine Brain, our Student Guides are divided into two key sections - content guidance, and sample questions and answers. Content guidance will: - - Develop understanding of key concepts and terminology; this guide covers applications of psychology: clinical, criminological, child and health psychology. - - Consolidate knowledge with 'knowledge check questions' at the end of each topic and answers in the back of the book. Sample questions and answers will: - - Build understanding of the different question types, so that students can approach each question with confidence. - - Enable students to target top grades in Paper 2 with sample answers and commentary explaining exactly why marks have been awarded.

Reinforce your understanding throughout the course. Clear topic summaries with sample questions and answers will help you improve your exam technique to achieve higher grades. Written by experienced teacher and author Rachel Cole, this Student Guide for Economics: - Identifies the key content you need to know with a concise summary of topics examined in the AS and A-level specifications - Enables you to measure your understanding with exam tips and knowledge check questions, with answers at the end of the guide - Helps you to improve your exam technique with sample answers to exam-style questions - Develops your independent learning skills with content you can use for further study and research

Topics are broken down to short, clear chapters, that are all structured in the same way, so students can build their understanding with ease - Covers each syllabus area in the detail

you need, with exercises that have enough depth and variety to give full class and homework coverage - Brings the business world into the classroom with real examples used extensively throughout the text, in extra cases and in end-of-chapter exercises - Features to help reinforce student understanding - in every chapter there's Real Business, an Evaluation and Logic Chain, but also the brand new '5 Whys and a How' which will help students tackle exam questions

Unlock your full potential with this revision guide which focuses on the key content and skills you need to succeed in Edexcel (B) GCSE Schools History Project. It covers the popular topics of Medicine and Health through Time for Unit 1; the American West 1840-95 and Germany 1918-45 for Unit 2; and The Transformation of Surgery c1845-c1918 for Unit 3. How this revision guide helps you: - It condenses each topic into easy-to-revise chunks with tick boxes to track your progress. - There is a revision task for each chunk of content to make sure you have understood and learnt the key information. - Key term boxes help you learn the essential vocabulary - Exam Practice provides sample exam-style questions for each topic and you can check your answers online - Exam tips explain how to approach each kind of sample question and help you avoid the most common mistakes people make in their exams. - For each topic there are also quick quizzes online at www.hodderplus.co.uk/myrevisionnotes. This second edition is for the revised specification for first examination in 2015.
