The world of Theorrey runs like a well-oiled machine. The elements are in balance, passion is tamed and the young queen is the heartbeat of it all. But in these two all-new stories of elemental steam, nothing is ever as it seems... Earthly Desires Demeter "Dare" Senedal is the Queen's Chalice-her protector and closest companion. So when the queen goes missing, Dare rushes to locate her, even though the search leads her straight into trouble. A gentleman who trades in secrets and sin, Bodhan revels in carnal delights, but when a naked and bound woman appears on his shore, he finds his hunger to possess at odds with his need to protect. As Bodhan shares his knowledge of pleasure, Dare must decide if she can trust him, both with her mission and her heart. Fiery Temptations Seraphina always lands on her feet. After all, she is a Felidae-at times more feline than human-and an excellent thief. There has never been a job Phina wouldn't take or a man who could tame her...until she meets Cyrus Arendal. As the Queen's Sword, Cyrus should have known better than to fall victim to a beautiful bandit. Now, to find and retrieve the moonfire dagger, he'll need to convince Phina not to judge a man by his station, but rather by how completely he can satisfy her desires.
