A bold thriller filled with esoteric secrets, psychedelic rituals, blackmail, and murder — Follows American archaeologist Monica Bettlheim, her benefactor Maltese billionaire Sebastian Pinto, and Pinto's son Rafael as they make startling discoveries about the ancient world, hallucinogenic sacraments, and modern-day crime syndicates — Reveals a secret ritual at the heart of Christianity, knowledge of which was passed on underground by Gnostics and alchemists for centuries — Explore the use of the Kykeon, the psychedelic brew of the Eleusinian mysteries, which offers those who drink it a direct experience of God Amid the European refugee crisis, with the background of Southern Europe having become the point of arrival for hundreds of thousands of desperate migrants, Monica Bettlheim, an American archaeologist, is trying to recapture her former fame. She has a mission to uncover prehistoric cultures that conventional archaeology and history both fear and deny. Her search is sponsored by an eccentric aristocrat, the larger-than-life Maltese billionaire Sebastian Pinto. On an underwater expedition off the coast of Malta, Monica finds a mysterious golden pomegranate that dates back to prehistoric times. Within it, she discovers ancient remnants of the Kykeon, the hallucinogenic sacrament of the Eleusinian mysteries, which offers those who drink it a direct experience of God. As the discovery leads to blackmail and murder, Monica uncovers a secret ritual right at the heart of

Christianity, knowledge of which was passed on underground by Gnostics and alchemists for centuries. Reluctantly, Monica teams up with the elusive and troubled Rafael, Pinto's son, who for some years has been deeply immersed in esoteric studies. Driven by the need to avenge a murder and uncover the activities of an international crime syndicate, they risk their lives by reviving the sacred ritual--and are confronted by the most terrifying revelation of all.

This volume examines the concept of taboos and tabooism and a dozen powerful ones in our society and suggests the control they exert on our everyday lives.

A collection of true love stories from the American slavery period relates the experiences of slave, free, and black-and-white couples who risked their lives in order to be together, from a Georgia couple who fled bounty hunters for England to a Missouri slave who escaped to Canada to be with his white Mormon love. When fallen angels roamed the earth, they went unto earthly beings, begetting children of their own, and shared with them secrets of heaven. Such creatures and treasures were forbidden on earth, thus bringing forth the forbidden fruits. Nathan, a troubled boy, has taken to live in the forest nearest his village in exile with his sick and elderly father. His nightly terrors terrorize not only himself, but also the surrounding world, engulfing it with flames. He seeks the angel's children for answers to his morbid encounters with the girl called Ariah from his nightmares. The fey are loyally bound secret keepers. Sirens despise man and get off on inflicting pain upon them. In a world where fallen angels have given life to vampires, werewolves, giants, behemoths, sirens, and fey, from whom will Nathan obtain answers as a war between his conscious and subconscious minds rages on?

After the death of Sir Jack Macarthur, the patriarch of a wealthy Edinburgh family, his nephew reveals a succession of scandalous secrets to the press, threatening to divide the rest of the family.

The city of Bridgeport was once famous for its beautiful port, breathtaking landscapes, and lovely people. One day, an uninvited guest visited this quiet city and changed it forever. It became a city full of crime, drugs, and evil-worshippers. Rachel, a resident of Bridgeport, lost her parents as a result of city's crime. Her life became an every day fight for survival. Now Rachel has to save herself and the city from the "final darkness."

Could World War I have been averted if Franz Ferdinand and his wife hadn't been murdered by Serbian nationalists in 1914? What if Ronald Reagan had been killed by Hinckley's bullet? Would the Cold War have ended as it did? In *Forbidden Fruit*, Richard Ned Lebow develops protocols for conducting robust counterfactual thought experiments and uses them to probe the causes and contingency of transformative international developments like World War I and the end of the Cold War. He uses experiments, surveys, and a short story to explore why policymakers, historians, and international relations scholars are so resistant to the contingency and indeterminism inherent in open-ended, nonlinear systems. Most controversially, Lebow argues that the difference between counterfactual and so-called factual arguments is misleading, as both can be evidence-rich and logically persuasive. A must-read for social scientists, *Forbidden Fruit* also examines the binary between fact and fiction and the use of counterfactuals in fictional works like Philip Roth's *The Plot Against America* to understand complex

A Kirkus Best Book of the Year! A Chicago Public Library Best Book of the Year! A Bustle.com Best Young Adult Book of the Year! Joanna meets the perfect girl for her and must decide whether to break a promise that could change everything for her and her family or lose out on love in this charming young adult romance that's perfect for fans of Julie Murphy's *Dumplin'* and Becky Albertalli's *Simon vs. the Homo Sapiens Agenda*. Joanna Gordon has been out and proud for years, but when her popular radio evangelist father remarries and decides to move all three of them from Atlanta to the more conservative Rome, Georgia, he asks Jo to do the impossible: to lie low for the rest of her senior year. And Jo reluctantly agrees. Although it is (mostly) much easier for Jo to fit in as a straight girl, things get complicated when she meets Mary Carlson, the oh-so-tempting sister of her new friend at school. But Jo couldn't possibly think of breaking her promise to her dad. Even if she's starting to fall for the girl. Even if there's a chance Mary Carlson might be interested in her, too. Right?
