BONUS: This edition contains an excerpt from Nikki Turner's Heartbreak of a Hustler's Wife. Queen of hip hop fiction Nikki Turner follows her gritty, emotionally charged novel The Glamorous Life with this new tale from the hood featuring a beautiful down-on-her-luck sister who can out-hustle the best of them as she rises from the ghetto to glory. After Mercy ' s beloved dad is murdered in cold blood on her seventh birthday, her mother gives her up to foster care. But despite an unsavory upbringing, Mercy vows to make something of

herself – at all costs. Working as a concierge at a hotel notorious for its shady clientele, Mercy meets and falls hard for a notorious dealer who keeps her living large in Gucci clothes and off-the-hook apartments. Then she lands a real lucrative deal: running drugs up Interstate 95 from Miami to New York. But Mercy doesn't want to live the gangsta life forever. She's got bigger dreams. She turns legit and makes her mark, yet despite a new, cleaned-up career, she can't get the streets completely out of her blood. A sexy hustler named C-Note steals her heart. And as their relationship heats up, Mercy discovers that their pasts are hopelessly – and tragically – entwined.

The undisputed Queen of Hip-Hop Fiction presents five knockout tales set in the fast-paced, high-stakes rap game – written by a hot lineup of authors with unmistakable swag and a gift for dropping sexy, thrilling stories. From a big-time hustler who can't give up the streets – even when it might cost him his rap career – to a fearless female emcee who goes both ways in the bedroom, these characters steam up the pages as they set out to make their mark, outsmart all the haters and hustlers looking to derail them, and rise to the top of the charts. Backstage is a VIP pass to the glamorous, gritty music industry, a world Nikki Turner knows intimately – as she introduces writers you'll want to read again and again.

After they discover that Indie, the man who raised them, had a hand in their father's death, twins Khalil and Hadji plot revenge and throw their mother Tressa's life into chaos.

The Queen of Hip-Hop Lit returns with this scintillating tale of a woman with three very different sides--all of which can't seem to beat an addiction to a man who's all-powerful and all wrong.

The undisputed queen of hip-hop fiction, #1 Essence bestselling author Nikki Turner unwraps a talented new collection of writers with raw urban stories to jingle your bells this season. Christmas in the Hood presents fresh talent alongside shining stars such as K. Elliott and Seth “Soul Man” Ferranti – all writing gritty tales that reveal what the holidays bring for the naughty and the nice who live by the code of the street. In “Secret Santa,” after her children's Christmas presents are stolen, a woman has to decide what she's willing to sacrifice to give them the holiday they deserve; in “Me and Grandma,” a senior sleighs more crack than candy canes to bring Christmas cheer to her needy grandkids; and in “Holiday Hell,” Noelle must raise \$23,000 to repay a loan shark or her sister will become a ghost of Christmas past. True to the streets and true to the season, these stories will raise the holiday spirit in the heart of even the most ghetto-hardened gangsta. **BONUS:** This edition contains an excerpt from Nikki Turner's Heartbreak of a Hustler's Wife. “The ghetto's voice without constraint.” —Upscale, on Tales from da Hood

Chronicles the saga of Isis Tatum, a woman marked forever by the tough world of street life and love as she is transformed from an innocent and sweet young girl into “The Black Widow” by the desertion, betrayal, and deaths of the men in her life.

New York Times bestselling author Nikki Turner returns with her most spellbinding story to date: Meet the Banks sisters—Simone, Bunny, Tallhya, and Ginger. The four beauties are living under the same roof by force, but they can't stand each other. Their only common denominator is their loving grandmother, Me-Ma. When she's not at work trying to make ends meet, she's home with her girls, trying to keep them from killing each other. Tragedy strikes when Me-Ma has a heart attack at church. The sisters are shocked to discover that Me-Ma left the house and all her money to the church. Now the pastor wants them out, unless they can come up with the money to buy the house from him. To make matters worse, Bunny already owes over a hundred thousand dollars to a very dangerous man. How can four broke women, each with their own mountain of problems, come up with enough money to save the family's home—and save Bunny's life? They devise a plan that could have them rolling in plenty of dough—as long as they can stay one step ahead of the law enforcement that's on the lookout for a group of bank robbers who have burst onto the scene.
