More Heart-Gripping Fiction From Bestselling Author Linda Nichols A girl who has never been able to settle down, Miranda begins various adventures, but whenever reality begins to tarnish her dreams, she gives up. As she approaches her twenty-seventh birthday, she determines to reinvent her life. But there's one loose end to tie down first... Joseph Williams, the chief of police in Abingdon, Virginia, always tries to do what is right, to perform his duty and protect those he loves. He becomes suspicious of the new woman in town, and after checking further, he discovers she has no history. Then he finds a baby picture of his niece in her possession... In Search of Eden is a story about law and grace, about forgiveness and redemption, about finding joy and rest in a broken world.

The prodigal daughter returns. But can she face her past? As widow and widower, Katie and Joseph prepare for a traditional Amish wedding, their fragile happiness is threatened when Joseph's younger sister, Cora, takes refuge in his home. But will Joseph's household survive the consequences of Cora's terrible secret? As Katie and Joseph prepare for their wedding, Joseph's fragile happiness is threatened when his younger sister, Cora, takes refuge in Joseph's home. Disowned by her parents after she chooses to run away with an Englisher boy for her Rumspringa, Cora is all out of options and hiding a terrible secret. Will Cora be able to escape her past, or will she find the strength in God to face it? And what will Cora's decision mean for the fragile future that Katie and Joseph are trying to build together? Windslow is twelve and in a wheelchair. He and his sister find a magic Book of Second Chances, what will they use it for? Will they choose to save a distant world or use it to make Windslow walk again? Each night, Windslow and Hillary dream-slip to the

Meet a guardian angel like no other, from a writer like no other. Bold, rising star Victoria Schwab returns with the second book in this whimsical, inspiring, and clever middle-grade series. There's more to Aria than meets the eye. She's a guardian angel. And to earn her wings, she'll have to help three different girls. . . . This time, Aria comes to Caroline Mason. At her all-girls' prep school, Caroline is being bullied. She eats lunch alone and is picked on by her classmates every day. The ringleader of the mean girls is Lily Pierce. But Lily isn't an ordinary bully: she used to be Caroline's best friend. When Aria arrives, she can see Caroline is suffering. But, to Aria's surprise, so is Lily. What is the story behind Lily's cruel actions? And can Aria help guide Caroline out of the darkness. . . and into better, brighter future?

2008 FORECAST by Sandra Walker has everything you need to astrologically navigate 2008 with success-planetary placements, timing aids, month to month forecasts, ingress horoscopes, new and full moon charts with explanations, keywords for the planets, and a special section on Eris, the new planet. Extra attention is given to Pluto, which moves into Capricorn in 2008 after spending several years in Sagittarius. Special free horoscope offer included with purchase of book.

On average, three million people come to Colorado to visit Rocky Mountain National Park every year. Most return home safely, but some do not. Joseph R. Evans details the fates of the almost three-hundred people who met their demise in Rocky Mountain National Park between 1884 and 2009 in the hope that their mistakes might prove instructive to future park visitors. Also included are the stories of those who made it, whether by skill and determination or just sheer luck.

When the people of Judah were taken captive by the Babylonians, their world was drastically changed. While in exile they experienced shame, guilt, fear, and displacement. However, their God had been traumatized by their behavior and also grieved with them. Yet, Yahweh gave them a second chance by forgiving them and bringing them home. God offered them hope, mercy, and love. The prophets were God's chosen messengers, not only to provide a new vision of what could be, but to suffer with the people. These servants were caught in the middle between a passionate God and traumatized people. As the people returned to Jerusalem to rebuild their city and their lives, the prophets were with them to remind them that God had not abandoned them. The author suggests that the prophets live on today through the church as those who engage their community, fight for people's hearts, and remind others that God gives second chances. Clark shares stories from his personal ministry to the marginalized in Portland, Oregon, who seek relief from shame, suffering, and hopelessness. In this hope our community receives new vision through a loving God and persistent prophets.

After self-reflecting for a few weeks, I thought a lot about if I was to die tomorrow, would I be happy with everything I had done. Had I ever lived my "dream?" I realized that although my life had been interesting, the answer was "No." Think about it, what would you do before you die? Where would you go? What would you see? Who do you want to meet? I took the chance and "released" from "real life" to see what was out there. It is a right that we all have. I know many people have traveled to "find themselves" and though that was not my intent, it happened. I did something that no one can ever take away from me - something for myself. For the first time in my life I did not have a plan, was selfish and it felt great. The first thing I packed was a wine key. This is my European story: 42 cities, 14 countries, in 80 days - solo and unplanned.

Whitetail Addicts Manual provides whitetail hunters, whether they are novices or experts, with the information they need to understand the biology and behavior of white-tailed deer. This information will enable hunters to understand how deer, especially trophy-class whitetail bucks, act on a seasonal and daily basis and how they react to the daily, changing conditions around them. This book will help hunters know how to locate deer in existing conditions each day and will also arm them with highly successful archery and firearms tactics and techniques for each rut phase. Ultimately the content will successfully provide enthusiasts with the information and skills that will make them more successful hunters regardless of hunting conditions. Written by a nationally recognized big-game expert, the content is based on his more than 20 years of research, studying how trophy whitetails behave in a range of conditions. The content contains several chapters on biology and behavior of North America's most popular big-game species and several different tactics and techniques for scouting, observing, locating, patterning, and hunting. All techniques were developed by the author when he was professional hunting guide and outfitter for more than 15 years. Whitetails are the most popular species to hunt in North America and interest continues to grow from both men and woman of all ages. This book is also the complete guide to the species, so it's great for researchers and biologists, as well, in that it is the complete study of the species and its behavior. The knowledge that hunters gain from this book will not only help them be more successful hunters it will help them take more trophy bucks -- the goal of all whitetail addicts. Discusses firearm, muzzleloading and archery techniques.

Two lost souls, the Moon and a death wish... Bryn, the leader of his wolf pack, is so lost in his own pain he cannot see beyond it. Freya is dying and has come home to Scotland to say goodbye. A chance encounter on the moors of Scotland brings these two lost souls together. Freya's fate lies in Bryn's loving hands, but he knows that to save her he must kill her. Note To My Fans - This is the extended, erotic version with new material and a preview of the sequel!
