A full and accessibly-written survey of Bede and his works, including a chapter on his legacy for subsequent history.

Alter Ego explores the personal and social identities being shaped in the metaverse at the beginning of the 21st century. Portraits of online gamers and virtual-world participants from America, Asia and Europe are paired with images of their avatars, with profiles of real-world and virtual characters. This book is both an entertainment and a serious look at a phenomenon that is shaping the future of human interaction.
