Marketing High Profit Product/Service
Solutions addresses one of the most

Download File PDF Ge It Solutions

exciting and growing strategic marketing opportunities facing product and service companies - 'bundling'. Many customers want bundled products and services which represent integrated solutions to their problems, rather than buying individual products and services piecemeal, and if you

Download File PDF Ge It Solutions

become that supplier it can transform a company. There are many outstanding examples: Magna International grew in several stages from a supplier of basic individual auto parts to a company manufacturing a product/service 'super-bundle'; ultimately sourcing and assembling the

Download File PDF Ge It Solutions

entire car itself. GE developed their business involving the supply of medical imaging machines to hospitals to become a 'super-bundler' of complete hospital radiological floor imaging operations planning, installation, and integration. IBM transformed their position as a supplier

Download File PDF Ge It Solutions

of individual hardware, software, and peripherals to companies into a product/service solution 'bundler' of increasing complexity, and finally into the 'super-bundle' of BPO (Business Process Outsourcing); representing an outsourced and complete integrated IT solution set for clients' entire global

Download File PDF Ge It Solutions

operations. Roger More explores what was learned by these leading companies (amongst others) when they transformed their market strategies to become bundlers of complex integrated customer solutions. Over many years the author has developed and tested new

Download File PDF Ge It Solutions

concepts, maps and tools for use by a wide variety of managers in developing strategies for these bundled product/service solutions. His book now offers these maps and tools to all who invest in a copy.
