In my opinion the 3+ black edition is the best value go pro available today when you compare to the newer models. The 4+ black edition doesnt offer much more than this but is more expensive. The features on this are more than enough and the stunning 1080p or basic 4K mode is excellent offering Chrisp images and videos!

New York Times Best Seller How will Artificial Intelligence affect crime, war, justice, jobs, society and our very sense of being human? The rise of AI has the potential to transform our future more than any other technology—and there ' s nobody better qualified or situated to explore that future than Max Tegmark, an MIT professor who ' s helped mainstream research on how to keep AI beneficial. How can we grow our prosperity through automation without leaving people lacking income or purpose? What career advice should we give today ' s kids? How can we make future AI systems more robust, so that they do what we want without crashing, malfunctioning or getting hacked? Should we fear an arms race in lethal autonomous weapons? Will machines eventually outsmart us at all tasks, replacing humans on the job market and perhaps altogether? Will AI help life flourish like never before or give us more power than we can handle? What sort of future do you want? This book empowers you to join what may be the most important conversation of our time. It doesn ' t shy away from the full range of viewpoints or from the most controversial issues—from superintelligence to meaning, consciousness and the ultimate physical limits on life in the cosmos.

"For the past thirty years, Mr. and Mrs. Jha's lives have been defined by cramped spaces, cut corners, gossipy neighbors, and the small dramas of stolen yoga pants and stale marriages. They thought they'd settled comfortably into their golden years, pleased with their son's acceptance into an American business school. But then Mr. Jha comes into an enormous and unexpected sum of money, and moves his wife from their housing complex in East Delhi to the super-rich side of town, where he becomes eager to fit in as a man of status"--]cProvided by publisher.

If you ' re a photographer, designer, or simply one of the millions of Photoshop users who wants to dive in and start using the video features available directly within Photoshop, look no further than this inspiring and hands-on guide by top-notch trainer and artist Colin Smith.
