2. Reflection on why I Chose The Great Gatsby I chose this novel after reading great reviews on this book. After reading this book, a reader can learn so much from it and apply the lessons they have learned in real life. Unlike the other novels, this novel explored universal themes- human follies, hopelessness of societal constructs and a man's struggle with time and fate.

PRE-READING FOR THE GREAT GATSBY. As much as I love Gatsby, I'll be the first to admit that this novel is challenging for my students! That's why it's incredibly important to scaffold during the pre-reading phase. Time invested during pre-reading will pay off when you ask students to critically think later on in the text.

### Great Gatsby Reading Journal - dev.destinystatus.com

The Journal Of The Great Gatsby JOURNAL ONE The great Gatsby book started with a man telling us his father advised him never to criticize anyone , he said his father told him he should remember that all this people in this world haven't had the advantages that you've had and his father thought him how to be reserved.

A sumptuously illustrated adaptation casts the powerful imagery of F. Scott Fitzgerald's great American novel in a vivid new format. From the green light across the bay to the billboard with spectacled eyes, F. Scott Fitzgerald's 1925 American masterpiece roars to life in K. Woodman-Maynard's exquisite graphic novel—among the first adaptations of the book in this genre. Painted in lush watercolors, the inventive interpretation emphasizes both the extravagance and mystery of the characters, as well as the fluidity of Nick Carraway's unreliable narration. Excerpts from the original text wend through the illustrations, and imagery and metaphors are taken to literal, and often whimsical, extremes, such as when a beautiful partygoer blooms into an orchid and Daisy Buchanan pushes Gatsby across the sky on a cloud. This faithful yet modern adaptation will appeal to fans with deep knowledge of the classic, while the graphic novel format makes it an ideal teaching tool to engage students. With its timeless critique of class, power, and obsession, The Great Gatsby Graphic Novel captures the energy of an era and the enduring resonance of one of the world's most beloved books.

The cover of this notebook / journal features the classic novel The Great Gatsby. A great gift for any romance book lover. This notebook has ruled lines on every page of the notebook / journal. It contains 120

pages. You can use it to: take notes, create to do lists, create stories, draw, doodle, sketch images, write down recipes, get organised. This journal is suitable for teachers, moms, students, book lovers and all.

A deep dive into how F. Scott Fitzgerald's vision of the American Dream has been understood, portrayed, distorted, misused, and kept alive. Renowned critic Greil Marcus takes on the fascinating legacy of F. Scott Fitzgerald's *The Great Gatsby*. An enthralling parable (or a cheap metaphor) of the American Dream as a beckoning finger toward a con game, a kind of virus infecting artists of all sorts over nearly a century, Fitzgerald's story has become a key to American culture and American life itself. Marcus follows the arc of *The Great Gatsby* from 1925 into the ways it has insinuated itself into works by writers such as Philip Roth and Raymond Chandler; found echoes in the work of performers from Jelly Roll Morton to Lana Del Rey; and continued to rewrite both its own story and that of the country at large in the hands of dramatists and filmmakers from the 1920s to John Collins's 2006 *Gatz* and Baz Luhrmann's critically reviled (here celebrated) 2013 movie version—the fourth, so far.

*The Great Gatsby* is a 1925 novel written by American author F. Scott Fitzgerald that follows a cast of characters living in the fictional town of West and East Egg on prosperous Long Island in the summer of 1922. The story primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession for the beautiful former debutante Daisy Buchanan. *The Great Gatsby* explores themes of decadence, idealism, resistance to change, social upheaval, and excess, creating a portrait of the Jazz Age or the Roaring Twenties that has been described as a cautionary tale regarding the American Dream. Set on the prosperous Long Island of 1922, *The Great Gatsby* provides a critical social history of America during the Roaring Twenties within its fictional narrative. That era, known for profound economic prosperity, the development of jazz music flapper culture, new technologies in communication (motion pictures, broadcast radio, recorded music) forging a genuine mass culture; and bootlegging, along with other criminal activity, is plausibly depicted in Fitzgerald's novel. Fitzgerald uses many of these societal developments of the 1920s that were to build Gatsby's stories from many of the simple details like automobiles to broader themes like Fitzgerald's discreet allusions to the organized crime culture which was the source of Gatsby's fortune. Fitzgerald depicts the garish society of the Roaring Twenties by placing the book's plotline within the historical context of the era.

Louie Banks has it made. He's got a starting spot on the football team, good friends, and a smart, beautiful girlfriend who loves him as much as he loves her. Early in the fall, he sees all his ideas of fair play go up in smoke; by spring, what he cares about most has been destroyed. How can Louie keep going when he's lost everything?

The "Fresh Air" book critic investigates the enduring power of *The Great Gatsby* -- "The Great American Novel we all think we've read, but really haven't." Conceived nearly a century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know *The Great Gatsby*? As Maureen Corrigan, Gatsby lover extraordinaire, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully comprehend its power. Offering a fresh perspective on what makes Gatsby great—and utterly unusual—*So We Read On* takes us into archives, high school classrooms, and even out onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include Gatsby's surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its profound commentaries on the national themes of race, class, and gender. With rigor, wit, and infectious enthusiasm, Corrigan inspires us to re-experience the greatness of Gatsby and cuts to the heart of why we are, as a culture, "borne back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own.

Following Common Core Standards, this lesson plan for F. Scott Fitzgerald's, " *The Great Gatsby* " is the perfect solution for teachers trying to get ideas for getting students excited about a book. BookCaps lesson plans cover five days worth of material. It includes a suggested reading schedule, discussion questions, essay topics, homework assignments, and suggested web resources. This book also includes a study guide to the book, which includes chapter summaries, overview of characters, plot summary, and overview of themes. Both the study guide and the lesson plan may be purchased individually; buy as a combo, however, and save.

How and why Fitzgerald's novel, initially called a failure, has come to be considered a masterwork of American literature and part of the fabric of the culture.

Keep track of your book club selections and record your latest literary adventures with this reading journal to stay organized for your next meeting! Book clubs are a great way to read new books and discover different genres and new topics that you may not be too familiar with. You can share your thoughts in a social setting and enjoy interesting conversations that might open your eyes to other opinions about the book. But all too often we forget the best details once the book is finished and put back on the shelf. With *The Book Club Journal*, you can collect and remember all your important thoughts and feelings so that you can reflect on them for future meetings or rereadings. Made specifically for book club members, this journal has prompts for all the basic book stats, such as the title, author, and who suggested the book, along with book club specific questions like "How does this book compare with the titles we have read previously?" This fun and useful journal also includes reference pages with lists of classic book club must-reads, and room for you to create your very own to-read list.
