circulation until August 1917.[1] Berkman and Goldman were found guilty of violating the Espionage Act, and were later deported.

When several students at Baker High School are stricken by an alleged curse of the school's ghost, Elijah and Elisha Springfield and their parents, undercover investigators, are sent to uncover the truth behind the events.

The Veritas Project team has a new assignment: To find the truth behind the mysterious disappearance of two runaways. When one runaway turns up totally out of his mind and a government agent steps in to take over the case, the Springfield's continue their own investigation. The twins-Elijah and Elisha-go undercover, posing as runaways. What happens next will keep

readers on the edge of their seats as the twins end up in a strange academy where Truth is continually challenged, a gang-like war develops, and Elijah is taken to an ominous mansion from which no one has ever returned. A great thriller with a realistic look at right and wrong.

They could be anyone, anywhere . . . even the person walking by you right now. The Veritas Project is their code name—but only a handful of people know teens Elijah and Elisha Springfield have been covertly commissioned by the President to investigate strange mysteries that delve into the paranormal and supernatural. Their charge is to find out not only what happened, but why—the veritas (Latin for truth) behind the seemingly impossible phenomena. Their new assignment: Hangman's Curse In Baker, Washington, three popular student athletes lie in an

incoherent coma, with loss of muscle coordination, severe paranoia, and hallucinations. It's whispered that they're victims of Abel Frye—a curse that's haunted the school since a student died there in the 1930s. Now the curse is spreading, and students are running scared. The Veritas Project must go undercover to find the truth . . . before it's too late.

If you've ever been there, you've never forgotten how it feels. It's being undersized or oversized or less than beautiful. It's knowing you are vulnerable and that someone is ready to take advantage of your weakness. It's the fraternity you never wanted to join—the fellowship of the wounded spirit. And Frank Peretti is a member, too. In this powerful book, Frank Peretti shares his deeply personal story of growing up different, and the persecution he suffered because of it. And from this

reservoir of memories he urges: those being abused to speak up and seek help those in authority to take notice- and action the "strong" kids to stand up and protect the weak- not prey upon them all of us to stop thinking of abuse as "normal" or as "kids being kids" This groundbreaking work shows how we all - bullies and victims alike - can find both healing and forgiveness from the anguish and torment associated with the growing epidemic of bullying.

Some monsters are real. Miles away from the hectic city, Reed and Rebecca hike into the beautiful Northwester woods. They are surrounded by gorgeous mountains, waterfalls, and hundreds of acres of unspoiled wilderness. During their first night camping, an unearthly wail pierces the calm of the forest. Then something emerges from the dense woods. Everything that follows is a blur to Reed—except the unforgettable

image of a huge creature carrying his wife into the darkness. Enter into deep wilderness where the rules of civilization no longer apply. A world where strange shadows lurk. Where creatures long attributed to overactive imaginations and nightmares are the hunters . . . and people are the hunted.

If you've ever been there, you've never forgotten. The feeling is as haunting and familiar as the smell of a junior high school locker room. It's the feeling of being undersized ... or oversized ... or klutzy ... or less than beautiful. Of being a nerd ... or a geek ... or just, somehow, different. It's knowing you are vulnerable-and someone is ready and willing to take full advantage of your weakness by making your life miserable. It's the fraternity you never wanted to join-the fellowship of the wounded spirit. And bestselling novelist Frank Peretti is a member, too. This book is

Hangmans Curse Veritas

the haunting true story of pain Frank Peretti never forgot but never, until recently, shared with the world. It's the story of growing up with a medical condition that left him disfigured. A series of surgeries and the slow miracle of answered prayer took care of the deformity, but not the underdeveloped frame or the excruciating reality of being different. And it was for these petty "crimes" that Peretti was prosecuted every day at school-especially in gym class, but also in the halls, on the school grounds, even in his own neighborhood. No wonder he found himself relating to movie monsters who were hated but also feared-and who eventually exacted a bloody revenge on their tormentors! In Peretti's case, deliverance eventually came-through time, through prayer, through a teacher's caring intervention, and his own willingness to seek help. But he has never forgotten what life was like at the bottom of the junior high

foodchain. And from the reservoir of those agonizing memories he sends a compelling message to victims, to bullies, and to authorities who have the power to intervene--that it's never OK for the strong to abuse the weak. And that we allow such abuse at the expense of our souls ... and our very civilization. Especially in the wake of the massacre at Columbine High School--perpetuated by two troubled but also tormented outsiders--this message takes on haunting resonance. Frank Peretti believes we cannot afford to overlook the continuing reality of wounded spirits, not only in our schools, but in our homes, churches, and workplaces. His approach is both tender and tough as he issues a ringing call for a change in attitude. It's a call for all of us to stop thinking of abuse as "normal," even among kids. It's a call for the strong to stand up and protect the weak, not prey upon them. It's a call for those in authority to pay

attention to the violence being done to the vulnerable in the midst of our everyday lives and to take action to help. Most of all, it's a call for bullies and victims alike (many of us are both) to seek the healing and forgiveness offered in Jesus Christ. For that healing is really the heart of this book-the only reality that can break the natural cycle of victimization and abuse. Only in Christ, Peretti reminds, is there hope for the wounded spirits-but that hope is powerful enough to change everything.

In rural Alabama, two couples find themselves in a fight for survival. Running from a maniac bent on killing them, they flee to an old house that's been empty for years, or so they think.

In 2 Corinthians 12: 7 Paul makes the extraordinary admission that he was given a 'thorn in the flesh'. Although we can never

be sure what that torment was, many of us will know what it feels like to experience a painful problem which does not seem to go away. In this book R. T. Kendall explains what a thorn in the flesh is, why we have it, and what we should understand by it. Looking with compassion at the kinds of acute situation in which we may find ourselves - an unhappy marriage, difficult working conditions, loneliness, sexual misgivings or chronic illness, for example - he shows how the grace of God is sufficient whatever our thorn, and how it can lead us into unimaginable intimacy with Jesus.

Loosely based on the Odyssey, this landmark of modern literature follows ordinary Dubliners through an entire day in 1904. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor.
