Laura Lentz's popular STORYquest workshop is now available in book form. Through the 12 stages of the Human Quest, her proven, experiential, intensive STORYlabs use examples from best-selling and Pulitzer prize winning literature to illustrate stages of The Hero's Journey. STORYquest improves a writer's work with easy-to-understand summaries, followed by literary inspiration. Writers then create and explore their own unique story through the sixty-eight inspirational writing exercises.

This book describes contemporary woman's search for wholeness in a society in which she has been defined according to masculine values. Drawing upon cultural myths and fairy tales, ancient symbols and goddesses, and the dreams of contemporary women, Murdock illustrates the need for—and the reality of—feminine values in Western culture today.

Examines myths and folk tales from around the world in an attempt to understand the symbolism of the hero as it appears in the mythologies and religions of mankind.

Taking a unique approach to understanding the complexity and impact of acquired brain injuries, Kit Malia and Anne Brannagan have produced a workbook that is filled with practical exercises for clinicians, families, and individuals to use in rehabilitation settings, community programs and at home. The activities are designed as ¿ adventures, challenges and insights ¿ that are intended to enhance understanding of how the brain works and the various consequences of an injury. Each exercise has clear instructions and is accompanied by witty and clever analogies and illustrations which make this workbook entertaining as well as educational. It is divided into 5 parts with activities focusing on understanding the brain, rehabilitation, cognition, emotions and behavior, and adjustment. This workbook is an innovative approach to brain injury education that is a ¿ must have ¿ for any brain injury program.
