Despite the formidable growth of urban tourism there has been little of the critical engagement that one would expect from the social sciences: the rich potential of contemporary social science for urban tourism has yet to be realized.

Martin Selby's textbook makes available to practitioners and students seeking to understand the phenomenon of tourism in towns and cities the methods and concepts that are currently enhancing and transforming our understanding of

society in other areas of the social sciences. With an emphasis on image, culture and experience, the author draws upon the "cultural turn" to explain the human aspects of the urban tourism phenomenon. The discussions emphasize the significance of urban tourism within debates upon the contemporary city, postmodernity and the pursuit of social science. Clearly written, with case studies and further reading, this book should be welcomed by students and lecturers in geography, tourism, planning and sociology.

to hurt such a kind man. When his job sends him back to Texas, she leaves her native Tulsa to move with him. If only she hadn't met Billy Snow, Jeromy's childhood friend. Her attraction to him feels like water flowing to meet water, a destiny buried deep in her cells. But is it real and lasting? Should she stifle her desire for Billy to save her relationship with Jeromy, the man she thought was perfect for her? While she's deciding, what does fate have in store for her? She hadn't known love would hurt so much. "Absolutely Unforgivable is a love story that makes you question what you know and what you yearn to learn more about," says one Amazon reviewer. Best known for the ever popular Mike Mulligan and His Steam Shovel and the Caldecott Medal winner The Little House, Virginia Lee Burton wrote and illustrated stories that have been entertaining children, parents, and grandparents for more than sixty years. Many of her books—with themes that honor a simple way of life and celebrate heroes who endure through determination and by adapting to change—have become classic American tales. With an introduction by Barbara Elleman, author of Virginia Lee Burton: A Life in Art, this handsome collection commemorates four of Burton ’ s most popular stories, each featured complete and unabridged. Their appeal today, as strong as
