Drip...drip...drip... In five days, she will come... Drip...drip...drip... In five days, she will come... Roberta 'Bobbie' Rowe is not the kind of person who believes in ghosts. A Halloween dare at her ridiculously spooky boarding school is no big deal, especially when her best friend Naya and cute local boy Caine agree to join in too. They are ordered to summon the legendary ghost of Bloody Mary: say her name five times in front of a candlelit mirror, and she shall appear... But, surprise surprise, nothing happens. Or does it? Next morning, Bobbie finds a message on her bathroom mirror - five days - but what does it mean? And who left it there? Things get increasingly weird and more terrifying for Bobbie and Naya, until it becomes all too clear that Bloody Mary was indeed called from the afterlife that night, and she is definitely not a friendly ghost. Bobbie, Naya and Caine are now in a race against time before their five days are up and Mary comes for them, as she has come for countless others before... A truly spine-chilling yet witty horror from shortlisted 'Queen of Teen' author James Dawson.

Meet Molly Sue. Once she's under your skin there's no getting rid of her... Seventeen-year-old Sally Feather is not exactly a rebel. Her super-conservative parents and her treatment at the hands of high school bullies means that Sally's about as shy and retiring as they come - but all that's about to change. Accidentally ending up in the seedier side of town one day, Sally finds herself mysteriously lured to an almost-hidden tattoo parlour - and once inside, Sally is quickly seduced by its charming owner, Rosita, and her talk of how having a secret tattoo can be as empowering as it is thrilling. Almost before she knows what she is doing, Sally selects sexy pin-up Molly Sue, and has her tattooed on her back - hoping that Molly Sue will inspire her to be as confident and popular as she is in her dreams. But things quickly take a nightmareish turn. Almost immediately, Sally begins to hear voices in her head - or rather, one voice in particular: Molly Sue's. And she has no interest in staying quiet and being a good girl - in fact, she's mighty delighted to have a body to take charge of again. Sally slowly realises that she is unable to control Molly Sue... and before long she's going to find out the hard way what it truly means to have somebody 'under your skin'.
