presentational). The cultural themes allow for a deeper exploration of cultural products, practices, perspectives, and comparisons. Realidades 4 can be used effectively as the fourth year program in an articulated sequence of instruction, as a pre-AP text to Abriendo paso ©2014, or as the core text in an AP course. The program resources are available in print, on DVD-ROM, or online. The Digital Courseware, realidades.com, offers the newest and most powerful online learning system available in any high school Spanish program. Choose the Student Edition format the works for you! Print + Digital: Includes a print Student Edition with 6-year access to realidades.com eText + Digital: Includes the online Student Edition eText with 6-year or 1-year access to realidades.com Standalone Student Edition eText: Includes the online Student Edition eText with 6-year or 1-year license, but the license does not include access to realidades.com or teacher resources

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).
