"To her considerable credit as a writer, Smith also manages to have her characters approach these grim subjects in moods of humor and unselfconscious bumbling, which makes Hotel World (shortlisted for the 2001 Booker Prize) a greatly appealing read in spite of the heaviness of its themes." - Chris Lehmann, The Washington Post

Wooooo-ooooo. Five people: four are living; three are strangers; two are sisters; one, a teenage hotel chambermaid, has fallen to her death in a dumbwaiter. But her spirit lingers in the world, straining to recall things she never knew. And one night all five women find themselves in the smooth plush environs of the Global Hotel, where the intersection of their very different fates make for this playful, defiant, and richly inventive novel. Forget room service: this is a riotous elegy, a deadpan celebration of colliding worlds, and a spirited defense of love. Blending incisive wit with surprising compassion, *Hotel World* is a wonderfully invigorating, life-affirming book.

SHORTLISTED FOR THE MAN BOOKER PRIZE and the ORANGE PRIZE FOR FICTION A masterful, exuberant novel from the acclaimed author of *How to be both* and the ongoing Seasonal quartet 'Ali Smith has got style, ideas and punch. Read her' Jeanette Winterson 'As infectious as a pop song, the story bursts open from the very first page and demands to be read in one sitting' The Times 'Hotel World is essential reading from a major talent' Independent Five people: four are living, three are strangers, two are sisters, one is dead. In her highly acclaimed and most ambitious book to date, the brilliant young Scottish writer Ali Smith brings alive five unforgettable characters and traces their intersecting lives. This is a short novel with big themes (time, chance, money, death) but an eye for tiny detail: the taste of dust, the weight of a few coins in the hand, the pleasurable pain of a stone in one's shoe . .

A funny glimpse into the lives of five people connected to one branch of the ubiquitous Global Hotel chain. Brought together -- and forced apart -- by a bizarre incident involving a dumb waiter, we share their very different experiences of the life in the aftermath of death, of pain and sorrow, of hope and love -- everything, in fact, that the world dares to throw at us.

“ A stimulating combination of literary criticism, essay, and fiction ” (The New Yorker) from the incomparable Ali Smith *Artful* is a celebration of literature 's worth in and to the world—it is about the things art can do, the things art is made of, and the quicksilver nature of all artfulness. A magical hybrid that refuses to be tied down to either fiction or the essay form, *Artful* is narrated by a character who is haunted—literally—by a former lover, the writer of a series of lectures about art and literature. Ali Smith 's heady powers as a novelist and short story writer harmonize with her keen perceptions as a reader and critic to form a living thing that reminds us that life and art are never separate.

Filled with Ali Smith's trademark wordplay and inventive storytelling, here is the dizzyingly entertaining, wickedly humorous story of a mysterious stranger whose sudden appearance during a family 's summer holiday transforms four variously unhappy people. Each of the Smarts—parents Eve and Michael, son Magnus, and the youngest, daughter Astrid—encounter Amber in his or her own solipsistic way, but

somehow her presence allows them to see their lives (and their life together) in a new light. Smith's narrative freedom and exhilarating facility with language propel the novel to its startling, wonderfully enigmatic conclusion.

SHORT-LISTED FOR THE MAN BOOKER PRIZE Passionate, compassionate, vitally inventive and scrupulously playful, Ali Smith's novels are like nothing else. A true original, she is a one-of-a-kind literary sensation. Her novels consistently attract serious acclaim and discussion—and have won her a dedicated readership who are drawn again and again to the warmth, humanity and humor of her voice. How to be both is a novel all about art's versatility. Borrowing from painting's fresco technique to make an original literary double-take, it's a fast-moving genre-bending conversation between forms, times, truths and fictions. There's a Renaissance artist of the 1460s. There's the child of a child of the 1960s. Two tales of love and injustice twist into a singular yarn where time gets timeless, structural gets playful, knowing gets mysterious, fictional gets real—and all life's givens get given a second chance. A NOTE TO THE READER: Who says stories reach everybody in the same order? This novel can be read in two ways, and the eBook provides you with both. You can choose which way to read the novel by simply clicking on one of two icons—CAMERA or EYES. The text is exactly the same in both versions; the narratives are just in a different order. The ebook is produced this way so that readers can randomly have different experiences reading the same text. So, depending on which icon you select, the book will read: EYES, CAMERA, or CAMERA, EYES. (Your friend may be reading it the other way around.) Enjoy the adventure. (Having both versions in the same file is intentional.)

Virginia Woolf, Jeanette Winterson, and Ali Smith share an ecological philosophy of the world as one highly interconnected entity comprised of multiple and equal, human and non-human participants. This study argues that these writers' texts have an ecological significance in fostering respect for and understanding of difference, human and nonhuman.

When a dinner-party guest named Miles locks himself in an upstairs room and refuses to come out, he sets off a media frenzy. He also sets in motion a mesmerizing puzzle of a novel, one that harnesses acrobatic verbal playfulness to a truly affecting story. Miles communicates only by cryptic notes slipped under the door. We see him through the eyes of four people who barely know him, ranging from a precocious child to a confused elderly woman. But while the characters' wit and wordplay soar, their story remains profoundly grounded. As it probes our paradoxical need for both separation and true connection, There but for the balances cleverness with compassion, the surreal with the deeply, movingly real, in a way that only Ali Smith can.

A teenage girl finds unexpected sexual freedom on a trip to Amsterdam. A woman trapped at a dinner party comes up against an ugly obsession. The stories in Free Love are about desire, memory, sexual ambiguity and the imagination. In the harsh light of dislocation, the people in them still find connections, words blowing in the street, love in unexpected places. Ali Smith shows how things come together and how they break apart. She disconcerts and affirms with the lightest touch, to make us love and live differently.
