Written by Julia T. Wood, one of the communication field's leading scholars, INTERPERSONAL COMMUNICATION: EVERYDAY ENCOUNTERS, 7E, actively engages students in interpersonal theories, ethics, and the understanding of social diversity while fostering skills students will apply in their everyday encounters. This new seventh edition integrates the latest communication research and devotes more attention to and provides additional exercises on active learning. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Written by leading scholar and award-winning teacher Julia T. Wood, INTERPERSONAL COMMUNICATION: EVERYDAY ENCOUNTERS, 8e relates theory and skills directly to students' everyday interactions as it delivers a solid introduction to interpersonal communication. Completely up to date, the new Eighth Edition integrates the latest communication research, including findings from more than 125 new sources. Reflecting the author's expertise in gender and social diversity, the text includes an unparalleled focus on diversity. The new edition also features increased coverage of social media and an expanded emphasis on ethical choices. It addresses such timely issues as emotional intelligence and forgiveness, interracial relationships, safe sex, ways to deal with abuse from intimates, race-related differences between conflict styles, and the power of language. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Packed with the latest research, theory, and real-world practices, COMMUNICATION MOSAICS: AN INTRODUCTION TO THE FIELD OF COMMUNICATION, 8E provides a thorough overview of the discipline as well as practical tools to help you maximize your personal, professional, and public communication skills. It introduces the basic processes of communication as well as explains how they are applied in specific contexts. In addition, every chapter includes a section devoted to digital communication and social media. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Updated in its 13th edition, Joseph Devito's The Interpersonal Communication Book provides a highly interactive presentation of the theory, research, and skills of interpersonal communication with integrated discussions of diversity, ethics, workplace issues, face-to-face and computer-mediated communication and a new focus on the concept of choice in communication. This thirteenth edition presents a comprehensive view of the theory and research in interpersonal communication and, at the same time, guides readers to improve a wide range of interpersonal skills. The text emphasizes how to choose among those skills and make effective communication choices in a variety of personal, social, and workplace relationships

COMMUNICATION MOSAICS: AN INTRODUCTION TO THE FIELD OF COMMUNICATION, Seventh Edition, combines the author's signature first-person narrative style and popular student commentaries with thoroughly up-to-date research, theories, and technological information to provide both an overview of the field and a practical guide you can immediately use to improve your personal, professional, and public communication skills. By beginning with introductions to the basic processes and skills central to all communication contexts and then moving on to how we apply these aspects of communication in specific contexts such as interpersonal and public speaking, the text shows you the importance of developing your communication skills and gives you the hands-on tools you need to become a more effective communicator. Jump into the dynamic world of communication in the twenty-first century with COMMUNICATION MOSAICS: AN INTRODUCTION TO THE FIELD OF COMMUNICATION, Seventh Edition! Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

COMMUNICATION IN OUR LIVES, Seventh Edition, provides everything you need to strengthen your interpersonal, group, public speaking, and media literacy skills-and demonstrates the value of communication in your life. Award-winning, forward-thinking scholar Julia T. Wood focuses on helping you develop vital communication skills while exploring the latest research and theory of today's most prominent communication scholars, including current developments in cultural and social diversity and the impact of technology on communication. This popular text features an engaging, personal tone, highly readable style, and frequent Student Voice sections that explore how other students have experienced key communication concepts. It is also packed with interactive, online study tools that can help you explore human communication and become a more confident and effective communicator.

An update of a college-level text, first published in 1996, addressing concepts and methods for improving communication through study of the self, language, nonverbal communication, conflict management, and communication with family, friends, lovers, and colleagues. Annotation c. by Book News, Inc.,

Interpersonal Communication, Fourth Edition, by Sarah Trenholm and Arthur Jensen interweaves current research and theory with the skills needed to communicate effectively in today's complex and diverse "global village." This bestseller explains the principles and theoretical underpinnings of interpersonal communication while enriching readers' everyday interactions with new interpersonal skills. The authors' five-point model of communication competence focuses on the keys to becoming a better communicator. Introduced in the first chapter and employed throughout the book, this useful model emphasizes how communication constructs relationships and how relationships in turn encourage or constrain communication practices. Every chapter contains fascinating applications of communication practices. Drawn from anthropology, ethnology, history, psychology, and popular culture, these applications illustrate how the information and skills needed for effective interpersonal communication can enrich people's enjoyment of most of life's activities.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Intercultural Competence provides students with the tools to succeed in today ' s intercultural world. Blending both the practical and theoretical, this text offers students the requisite knowledge, the appropriate motivations, and the relevant skills to function competently with culturally-different others. The text provides a discussion of important ethical and social issues relating to intercultural communication and encourages students to apply vivid examples that will prepare them to interact better in intercultural relationships. Learning Goals Upon completing this book, readers will be able to: Appreciate the impact of cultural patterns on intercultural communication Use both practical and theoretical ideas to understand intercultural communication competence Understand some of the central contexts – in health, education, business, and tourism – in which intercultural communication occurs Discuss cultural identity and the role of cultural biases Note: MySearchLab with eText does not come automatically packaged with this text.
