quality teachers in the 21st century and how the East and the West can learn from each other. It addresses the different challenges and dilemmas that eastern countries, especially China, and western countries are facing with regard to teacher education. We explore the question by examining

Read Online Itec Makeup Exam Papers

teacher education research, practice and policy in different countries, identifying both common problems and country-specific challenges. We then try to find valuable experiences, theories and practice which can solve specific problems in the process of teacher education, also addressing

Read Online Itec Makeup Exam Papers

how local and global factors impact it. In this regard, our approach does not strictly separate pre-service teacher education from teachers' in-service professional development, adopting an integrative perspective. Further, we believe the respective social and cultural contexts must also be taken

Read Online Itec Makeup Exam Papers

into account. Lastly, we call for teachers' knowledge and individual character traits to be accounted for in the education of high-quality teachers.

At their simplest level, human relationships are about ties between people. These ties, however, are

Read Online Itec Makeup Exam Papers

anything but simple; rather, they are complex interdependencies whose dynamic reciprocity of obligations and interests is not always represented in our legal thinking. This collection explores the intersection of interdependency and the law, and contemplates some of the key issues

Read Online Itec Makeup Exam Papers

at stake in the way the law interprets and addresses human relationships. The book will be of interest to law and society scholars and students, as it presents a different critical framework through which to analyze traditional human relationships.
