Struggling to make a name for himself in the entertainment industry, Carl Denham discovers an uncharted island which he believes could hold the key to the fame and fortune he so desperately seeks. But his expedition to the island uncovers one of the most extraordinary creatures ever to walk the Earth.

KING KONG is a giant gorilla, a huge and terrifying survivor from another age on an island trapped in a time warp. But the awesome creature is no match for the cunning of an ambitious promoter who sees Kong as a megastar showstopper and sets out to capture him. After endless thrills Kong is caught, but this is just the prelude to one of the most thrilling and famous of all cinema climaxes as Kong defies the world from the top of the Empire State Building, a majestic, tragic figure. Above all, KING KONG is a marvellous, timeless story, a worldwide favourite. Anthony Browne adds another dimension to this great classic and has produced a book which is a classic in its own right.

The official novelization of the summer blockbuster Godzilla: King of the Monsters, the latest film in the MonsterVerse™ franchise, starring Kyle Chandler, Vera Farmiga, Millie Bobby Brown, with Ken Watanabe and Ziyi Zhang. Godzilla: King of the Monsters follows the heroic efforts of the cryptozoological agency Monarch as its members face off against a battery of god-sized monsters, including the mighty Godzilla, who collides with Mothra, Rodan, and its ultimate nemesis, the three-headed King Ghidorah. When these ancient super-species--thought to be mere myths--rise again, they all vie for supremacy, leaving humanity's very existence hanging in the balance.

Fantasy. Mystery. Action. Humor. Parents, teachers, and librarians will no longer have to push kids to read—The Berinfell Prophecies will engage intermediate readers and leave them clamoring for more. The Seven succeeding Elven Lords of Allyra were dead, lost in the Siege of Berinfell as babes. At least that ’ s what everyone thought until tremors from a distant world known as Earth, revealed strange signs that Elven blood lived among its peoples. With a glimmer of hope in their hearts, sentinels are sent to see if the signs are true. But theirs is not a lone errand. The ruling warlord of Allyra, the Spider King, has sent his own scouts to hunt down the Seven and finish the job they failed to complete many ages ago. Now 13-year-olds on the brink of the Age of Reckoning when their Elven gifts will be manifest, discover the unthinkable truth that their adoptive families are not their only kin. With mysterious Sentinels revealing breathtaking secrets of the past, and dark strangers haunting their every move, will the young Elf Lords find the way back to the home of their birth? Worlds and races collide as the forces of good and evil battle. Will anyone escape the Curse of the Spider King? In March 2017, the producers of Godzilla transport audiences to the birthplace of one of the most powerful monster myths of all in KONG: SKULL ISLAND, from Warner Bros. Pictures and Legendary Pictures. When a scientific expedition to an uncharted island awakens titanic forces of nature, a mission of discovery becomes an explosive war between monster and man. Tom Hiddleston, Samuel L. Jackson, Brie Larson, John Goodman and John C. Reilly star in a thrilling and original new adventure that reveals the untold story of how Kong became King.

The official prequel novelization bridging the gap between Pacific Rim and the upcoming Pacific Rim Uprising It's been ten years since humanity's war with the monstrous Kaiju ended and the Breach at the bottom of the Pacific Ocean was sealed. The Pan Pacific Defense Corps remains vigilant in anticipation of the Kaiju's return, expanding and advancing their fleet of massive mechs known as Jaegers and accepting the best and the brightest candidates into the Jaeger Academy Training Program to forge the next generation of heroes. Training is competitive and positions are few. Ou-Yang Jinhai and Viktoriya Malikova grew up in the ashes of the Kaiju War and followed different paths to join the latest batch of cadets at the Moyulan Shatterdome, the most prestigious PPDC training location in the world. Yet not long after their arrival, tragedy strikes as a deadly act of sabotage casts suspicion on the new cadets. Together they must work to clear their name and discover the truth as dark forces conspire against them and new threats surface from both sides of the Breach...

McBride brings to vivid life the people affected by a shooting. As the story deepens, it becomes clear that the lives of the characters - caught in the tumultuous swirl of 1960s New York - overlap in unexpected ways
