Forever Summer: Two Books In One from bestselling author Alyson Noël: Laguna Cove & Cruel Summer Summer. A break from the burdens of school. Deep tans, deeper thoughts. Far away from the everyday. Closer to making dreams come true ... What does summer mean to you? For the two teenage girls in these two unforgettable novels, summer means being torn away from the familiar and finding new friends. A new place in the world. A new sense of self. And maybe even new love along the way ... When you're having the time of your life, you never want it to end.

"This was supposed to be my best summer yet, the one I've been working toward since practically forever. Now I'm being banished from everything I know and love, and it just doesn't make any sense." Having recently discarded her dorky image—and the best friend that went with it—Colby Cavendish is looking forward to a long hot season of parties, beach BBQ's, and hopefully, more hook-ups with Levi Bonham, the hottest guy in school. But her world comes crashing down when her parents send her away to spend the summer in Greece with her crazy aunt Tally. Stranded on a boring island with no malls, no cell phone reception, and an aunt who talks to her plants, Colby worries that her new friends have forgotten all about her. But when she meets Yannis, a cute Greek local, everything changes. She experiences something deeper and more intense than a summer fling, and it forces her to see herself, and the life she left behind, in a whole new way, in Alyson Noël's Cruel Summer.

Don't miss Evermore, the first book in Alyson Noël's #1 New York Times bestselling The Immortals series. Enter an enchanting new world where true love never dies. . . After a horrible accident claimed the lives of her family, sixteen-year-old Ever Bloom can see people's auras, hear their thoughts, and know someone's entire life story by touching them. Going out of her way to avoid human contact and suppress her abilities, she has been branded a freak at her new high school—but everything changes when she meets Damen Auguste. Damen is gorgeous, exotic and wealthy. He's the only one who can silence the noise and random energy in her head—wielding a magic so intense, it's as though he can peer straight into her soul. As Ever is drawn deeper into his enticing world of secrets and mystery, she's left with more questions than answers. And she has no idea just who he really is—or what he is. The only thing she knows to be true is that she's falling deeply and helplessly in love with him.

After fighting for centuries to be together, Immortals Ever and Damen's future hinges on one final showdown that will leave readers gasping for breath. Don't miss Night Star-- the explosive new installment of Alyson Noel's #1 bestselling Immortals series that's enchanted millions across the world! Haven still blames Ever for the death of her boyfriend Roman, no matter how hard Ever's tried to convince her it was an accident. Now she's determined to take Ever down...and destroy Damen and Jude along the way. Her first step is to tear Ever and Damen apart—and she has just the ammunition to do it. Hidden in one of Ever's past lives is a terrible secret about Damen—a secret that illuminates new facts about her relationship with Jude, but that's so dark and brutal it might be enough to drive her and Damen apart once and for all. As Ever faces her greatest fears about the guy she wants to spend eternity with, she's thrust into a deadly clash with Haven that could destroy them all. Now it'll take everything she's got—and bring out powers she never knew she had—to face down her most formidable enemy. But in order to win, she must first ask herself: is her own survival worth dooming Haven to an eternity of darkness in the Shadowland? And will learning the truth about Damen's past hold the key to their future?

Having saved her grandmother by unleashing a dark family of sorcerers in the Lowerworld, Daire and her boyfriend, Dace, team up to protect their small New Mexico community from the evil Cade's growing dark powers and the fulfillment of a horrifying prophecy. Simultaneous.

Returning home unexpectedly from her job, anticipating spending her birthday with her boyfriend Michael, flight attendant Hailey Lane is stunned when, rather than a proposal waiting for her, she discovers him in a compromising position and embarks on round-the-world odyssey of self-discovery, solace, and the perfect guy. Original. 75,000 first printing.

"Since coming to Enchantment, New Mexico everything in Daire Santos life has changed. And not all for the better. While she's come to accept and embrace her new powers as a Soul Seeker, Daire struggles with the responsibility she holds navigating between the worlds of the living and the dead"--

Their epic love story has captured the hearts of millions and enchanted readers across the world. Everlasting is the beautiful finale to Alyson Noël's bestselling Immortals series, in which their journey draws to a spectacular conclusion—where all will be revealed. Their darkest enemies now defeated, Damen and Ever are free to embark upon their final quest—to free Damen from the poison lingering in his body. If they can just find the antidote, they'll finally be able to feel each other's touch—and experience the passionate night they've been longing for. But their fight to be together will lead them into the most formidable terrain yet...into the dark heart of Summerland. Here in a land of scorched earth and endless rain, Ever and Damen will discover their relationship's hidden origins, expose a secret history they never imagined...and come face to face with the true reason fate keeps tearing them apart. Only then, when the final mystery is unraveled and the last secret revealed, Ever and Damen's future will hinge on one ultimate decision that will put everything at stake...even eternity.
